The Honorable Derrick D. Schofield, Commissioner, Department of Correction
The Honorable Gary Davis, Bradley County Mayor
The Honorable Jim Ruth, Bradley County Sheriff

To the Commissioner, County Mayor, and Sheriff:

Our office recently completed a review of Bradley County's participation in the County Correctional Incentive Program for the year ended June 30, 2012.

The findings and recommendations and the summary of adjustments to total felon days, as a result of our review, are presented in detail in the enclosed report. The following is a summary of the results of our review:

Felon days were not accurately determined and reported on the monthly State prisoner (Convicted Felon) Reports. During our review we discovered 30 overreported felon days. The net effect of these adjustments resulted in an overpayment of \$1,050 to Bradley County; consequently, an adjustment should be made in subsequent monthly payments. However, given the error rate from our testwork, it is probable that the actual number of overreported felon days is much higher than the 30 days we have reported. Therefore, Bradley County management should review all of the State Prisoner (Convicted Felon) Reports for 2012 and forward to ensure that the felon days are properly reported.

Please contact me if you have any questions regarding our review of Bradley County's participation in the County Correctional Incentive Program.

Sincerely,

**BRADLEY COUNTY, TENNESSEE
REPORT ON THE REVIEW OF THE
COUNTY CORRECTIONAL INCENTIVE PROGRAM
FOR THE YEAR ENDED JUNE 30, 2012**

This report reviews Bradley County's participation in the County Correctional Incentive Program for the year ended June 30, 2012.

As a result of our review, we discovered 30 overreported felon days. The net effect of these adjustments resulted in an overpayment of \$1,050 to Bradley County. An adjustment should be made in subsequent monthly payments.

The objectives of the review were:

1. to determine if prisoners were properly listed on the State Prisoner (Convicted Felon) Reports,
2. to recommend appropriate actions to correct any deficiencies.

SCOPE OF THE REVIEW

In performing our review, we tested the proper classification of convicted felons listed on the State Prisoner Reports to ensure accurate reporting to the state. Testwork included tracing information from the reports to the actual case files to verify the listed offenses, trial dates, and incarceration periods.

FINDING AND RECOMMENDATION

The finding and recommendation, as a result of our review, is presented below. We reviewed this finding and recommendation with management to provide an opportunity for their response; however, management did not provide a response for inclusion in this report.

FINDING 1 TOTAL FELON DAYS WERE NOT ACCURATELY DETERMINED AND REPORTED

Bradley County did not accurately count and assess the total felon days as reported to the state on the State Prisoner (Convicted Felon) Reports. We reviewed 35 inmate files for proper reporting. Of the files examined, we discovered that Bradley County had overreported 30 felon days. Given the error rate from our testwork, it is probable that the actual number of overreported felon days is much higher than the 30 days we have reported.

RECOMMENDATION

Management should ensure that felon days are reported accurately to the Tennessee Department of Correction on the State Prisoner (Convicted Felon) Reports. Bradley County should review all of the State Prisoner (Convicted Felon) Reports for 2012 and forward.
