INTRODUCTION

POST-AUDIT AUTHORITY

This is a report on the financial and compliance audit of the Davidson County Metropolitan Community Services Agency. The audit was conducted pursuant to Section 37-5-313, *Tennessee Code Annotated*, which authorizes the Comptroller of the Treasury to “make an annual audit of the program established by this part as part of the comptroller’s annual audit pursuant to Section 9-3-211.”

BACKGROUND

Tennessee’s 12 community health agencies were created by Chapter 567 of the Public Acts of 1989, known as the Community Health Agency Act of 1989. This legislation established a defined system of health services to make health care available to the indigent citizens of Tennessee. The community health agencies determined areas of need in their geographic areas and ensured that services were available to meet those needs.

In May 1996, the Community Services Agency Act of 1996 replaced the community health agencies with the community services agencies. The purpose of these agencies is to coordinate funds and programs designated for care of children and other citizens in the state.

The Davidson County Metropolitan Community Services Agency’s administrative offices are in Nashville, Tennessee.

The governing body of the Davidson County Metropolitan Community Services Agency is the board of directors. As of June 30, 2000, the board was composed of 11 members. (See Appendix.)

The Davidson County Metropolitan Community Services Agency entered into an agreement with the Metropolitan Government of Nashville for day-to-day operations. All records, purchasing, accounting, and financial procedures are subject to the policies and procedures of the Metropolitan Government of Nashville, except in the case of a conflict between the state’s and metropolitan government’s rules and regulations. In such a case, the policies and procedures of the state prevail. The administrative liaison to the board is the custodian of the funds and reports to the board chair and the board of directors on the status of the programs.

AUDIT SCOPE

The audit was limited to the period July 1, 1999, through June 30, 2000, and was conducted in accordance with government auditing standards generally accepted in the United States of America. Financial statements are presented for the year ended June 30, 2000, and for comparative purposes, the year ended June 30, 1999. The Davidson County Metropolitan Community Services Agency has been included as a component unit in the *Tennessee Comprehensive Annual Financial Report*.

OBJECTIVES OF THE AUDIT

The objectives of the audit were

1. to consider the agency's internal control over financial reporting to determine auditing procedures for the purpose of expressing an opinion on the financial statements;
 2. to determine compliance with certain provisions of laws, regulations, and contracts;
 3. to determine the fairness of the presentation of the financial statements; and
 4. to recommend appropriate actions to correct any deficiencies.

PRIOR AUDIT FINDINGS

There were no findings in the prior audit report.

RESULTS OF THE AUDIT

AUDIT CONCLUSIONS

Internal Control

As part of the audit of the Davidson County Metropolitan Community Services Agency's financial statements for the year ended June 30, 2000, we considered internal control over financial reporting to determine auditing procedures for the purpose of expressing an opinion on the financial statements, as required by government auditing standards generally accepted in the United States of America. Consideration of internal control over financial reporting disclosed no material weaknesses.

Compliance

The results of our audit tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Fairness of Financial Statement Presentation

The Division of State Audit has rendered an unqualified opinion on the Davidson County Metropolitan Community Services Agency's financial statements.

March 15, 2001

The Honorable John G. Morgan
Comptroller of the Treasury
State Capitol
Nashville, Tennessee 37243

Dear Mr. Morgan:

We have audited the financial statements of the Davidson County Metropolitan Community Services Agency, a component unit of the State of Tennessee, as of and for the year ended June 30, 2000, and have issued our report thereon dated March 15, 2001. We conducted our audit in accordance with government auditing standards generally accepted in the United States of America.

Compliance

As part of obtaining reasonable assurance about whether the Davidson County Metropolitan Community Services Agency's financial statements are free of material misstatement, we performed tests of the agency's compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

We noted a less significant instance of noncompliance that we have reported to the agency's management in a separate letter.

The Honorable John G. Morgan

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Davidson County Metropolitan Community Services Agency's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the General Assembly of the State of Tennessee, the board of directors, and management and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Arthur A. Hayes, Jr.", written in a cursive style.

Independent Auditor's Report

March 15, 2001

The Honorable John G. Morgan
Comptroller of the Treasury
State Capitol
Nashville, Tennessee 37243

Dear Mr. Morgan:

We have audited the accompanying balance sheets of the Davidson County Metropolitan Community Services Agency, a component unit of the State of Tennessee, as of June 30, 2000, and June 30, 1999, and the related statements of revenues, expenditures, and changes in fund balance for the years then ended. These financial statements are the responsibility of the agency's management. Our responsibility is to express an opinion on these financial statements, based on our audits.

We conducted our audits in accordance with government auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Davidson County Metropolitan Community Services Agency as of June 30, 2000, and June 30, 1999, and the results of its operations for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The Honorable John G. Morgan

In accordance with *Government Auditing Standards*, we have also issued our report dated March 15, 2001, on our consideration of Davidson County Metropolitan Community Services Agency's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, and contracts. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Sincerely,

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Title 37, Chapter 5, of *Tennessee Code Annotated*, established the CSA as “a political subdivision and instrumentality of the state.” The Davidson County Metropolitan Community Services Agency is a component unit of the State of Tennessee and is discretely presented in the *Tennessee Comprehensive Annual Financial Report*. Although the CSA is a separate legal entity, the state is financially accountable for the CSA because the state appoints a majority of the CSA’s governing body and approves the CSA’s Plan of Operation (budget).

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

Measurement Focus and Basis of Accounting

The financial records of the Davidson County Metropolitan Community Services Agency are maintained on the modified accrual basis of accounting and the flow of current financial resources measurement focus. Under this basis, revenues are recognized when they become measurable and available, and expenditures are recognized when the related liability is incurred.

Budgetary Process

Legislation requires the CSA board to submit an annual plan of operation for review and approval to the Commissioner of Children’s Services, Commissioner of Finance and Administration, and the Comptroller of the Treasury. As part of this plan, the CSA is to submit a financial plan for operating and capital expenditures. This financial plan is prepared on the modified accrual basis of accounting. The Plan of Operation may be amended during the year with the written approval of the Commissioners and the Comptroller.

The agency does not have an annual appropriated budget. The Plan of Operation serves as an annual financial plan for budgetary purposes.
