

OUR WORK ADDS UP!

In the Comptroller's Office we take great pride in the role we play to protect Tennessee's financial integrity. Employees know the work they contribute is part of something bigger and we measure our success by accepting challenges that deliver results for our state.

There's strength in numbers and ours add up to make government work better.

OUR WORK ADDS UP!

Our Office nets results that help Tennessee remain a leader in government accountability. These FY 2019 outcomes show how our auditors and investigators make things happen to benefit our state.

Auditing State Government

- + 52 total audit reports released
- + Audited Tennessee's Comprehensive Annual Financial Report
- + Audited state programs that utilize some of Tennessee's \$14.3 billion in federal funds
- + Presented 13 audit reports at public hearings before the Tennessee General Assembly

Auditing Local Governments

- + 90 of 95 counties audited in-house each year
- + 1600 local government audits overseen annually
- + Met federally required audit deadlines for the 10th year in a row

Investigating Fraud

- + Identified more than \$2.6 million of fraud, waste and abuse
- + 29 people indicted on 175 criminal counts
