II. Welcome and Call Meeting to Order

The Chair welcomed attendees and outlined the discussion around the Natural Gas Proposal and how to build support around the study.

III. Natural Gas Proposal

Discussed doing a survey on the NG proposal that would include three parts: 1) Interviews done by Matt Murray with a set of questions geared toward Economic Development folks, 2) Online survey focused on the business community, and 3) Online survey focused on local utilities. The Baker Center would create a final report based on all three surveys that would complement and be included with the Natural Gas Whitepaper. Dale Barnett recommended a vote to conduct the survey, John Kenny approved, all voted to complete the survey.

IV. Next Steps

- Council decided the next meeting would be held in person. Jasbir Dhaliwal agreed to host the meeting.
