DOCKET NO. 23CR02

FRED D. HALEY

PETITION TO ENTER PLEA OF GUILTY

I, the above-named defendant, pursuant to Rule 11 of the Tennessee Rules of Criminal Procedure, respectfully state to the court as follows:

1. My full legal name is FRED D. HALEY.
2. I am represented in this case by a lawyer and the name of my attorney is DONNA HARGROVE, ESQ.
3. I received a copy of the indictment or information, which states the charge(s) against me, before I was required to plead to the charge(s), I have read and discussed the indictment or information with my attorney.
4. I have told my lawyer everything I know about the facts and circumstances surrounding the charge(s) against me.
5. My lawyer has told me, and I understand the definitional elements of the crime(s) I am charged with; that is, my lawyer has explained to me what the State has to prove beyond a reasonable doubt to convict a person of the offense(s). My attorney has also informed me in detail, and I understand what the State's evidence against me would be in regard to the charge(s). My lawyer has explained all possible defenses, I might have. My attorney has counseled and advised me on all of these matters, and I understand them. Thus, I believe I presently understand every charge against me.
6. My attorney has told me, and I understand that the punishment I could receive, including both possible incarceration and/or fine, is: [Set out range of punishment for offense(s) charged and pleaded to, if different.]

CT. 1-90	39-14-103	THEFT UNDER \$1,000 CLASS A MISDEMEANOR - 11 MONTHS 29 DAYS AND/OR UP TO \$2,500 FINE
CT. 91-94	39-14-114	FORGERY CLASS E FELONY - 1 TO 6 YEARS AND UP TO \$3,000 FINE (1-2) (2-4) (4-6) (6)
CT. 95	39-14-103	THEFT (\$10,000-\$60,000) CLASS C FELONY - 3 TO 15 YEARS AND UP TO \$10,000 FINE (3-6) (6-10) (10-15) (15)

7. My attorney has explained that the Court will consider each count of each indictment or information to which I plead "GUILTY" as a separate offense and may order that I serve the sentences for multiple offenses consecutively, that is, one after the other.
8. I understand that in making its sentencing determination the Court will consider all of my prior criminal convictions.
9. I understand that the Court's authority to impose punishment is the same if I plead "GUILTY" as it is if I plead "NOT GUILTY", have a jury trial, and am convicted.
10. My attorney has discussed with me whether I am eligible for alternative sentencing, including probation. I understand my attorney's statements on this issue. Although, if eligible, I hope to receive probation or other alternative sentencing, I agree to accept any punishment, which the law permits the court to impose.
11. I understand that the Tennessee Constitution guarantees me the right to have any fine greater than fifty dollars (\$50.00) set by a jury. I wish to give up that right and want the Court to set any fine, which is part of my punishment.
12. My attorney has explained enhanced sentencing to me, and I understand that if I am presently eligible for enhanced sentencing, I have a statutory right to a delay of ten (10) days after the State files a notice of intent to seek enhanced punishment before the Court accepts my plea of "GUILTY". I hereby acknowledge that I am subject to enhanced sentencing as a multiple, persistent and/or career criminal, and give up my right to the filing of such notice and/or to some or all of the ten (10) day waiting period before conviction.
13. I understand that my plea of "GUILTY" will be a criminal conviction on my record, and that if I am convicted of any crimes in the future, this conviction may be used against me as a basis for giving me greater punishment for the future conviction(s) as a multiple, persistent and/or career offender.
14. I understand that I am presumed innocent of the charge(s) against me, and if I went to trial, that presumption would remain with me throughout the trial unless and until overcome by all of the evidence presented by the State.
15. I understand that I have the right to plead "NOT GUILTY" to any offense(s) charged against me and to persist in that plea, and that if I choose to plead "NOT GUILTY" the Constitution guarantees me (a) the right to a speedy and public trial by jury; (b) the right to see, hear and cross-examine all witnesses against me; (c) the right to use the power and process of the Court to compel the production of any evidence, including the attendance of any witnesses, in my favor; (d) the right to have the assistance of counsel in my defense at all stages of the proceedings; and (e) the right to remain silent and not testify, and that my silence cannot be used against me. I understand that if I plead "GUILTY" I will be waiving my right to a jury trial and to the other rights set out above.
16. I understand that by pleading "GUILTY", I am giving up the right I would have if I were convicted by a jury to have an appellate court review the basis of my conviction.
17. I understand that in conjunction with my plea of "GUILTY" I may be asked questions about the offense(s) and if I answer those questions under oath, on the record, and in the presence of my attorney, and do not tell the truth, my answers could later be used against me in a prosecution for perjury or false statement.
18. I declare that no government officer or agent (federal, state or local), or any other person, has made any promise or suggestion of any kind exchange for my plea of "GUILTY", with the exception of the

agreement between me and the State's attorney to recommend to the Court the plea and punishment set out in paragraph twenty-three (23) below.

19. I declare that no person has pressured, forced, threatened, or intimidated me into pleading "GUILTY".

20. I believe my lawyer has done everything any lawyer could have done to represent me and I am satisfied with my legal representation and assistance in this case. I have had no problem communicating with my attorney.

21. I declare that during my discussions with my lawyer about this case, and while I read and/or discussed this petition with my lawyer, I was not under the influence of any alcoholic beverage or intoxicating drug.

22. I know that the court will not ordinarily accept a plea of "Guilty" from any one who claims to be innocent. Either I am making no claim of innocence or after having discussed the plea agreement with my attorney, I believe that a plea of "Guilty" to be in my best interest.

23. My attorney has reached an agreement with the State, which is contained in the "Judgement" form(s) and attached to this petition. I have read the form(s) and declare that it contains the entire agreement which I have reached with the State. I understand that if the court considers me for probation, the court will complete the form and this form may be filed as the Judgement order in my case(s).

DEFENDANT PLEAS GUILTY TO:

Ct. 95 - THEFT \$10,000 - \$60,000, a class C Felony, taking a 4-year sentence as Range I Offender, sentence is suspended to probation for 4 years. To pay restitution of \$48,310.83 and court costs.

Cts. 91-94 - FORGERY (4 COUNTS), all class E Felonies, taking a 2-year sentence on each count. Sentence is suspended to probation for 2 years. To pay court costs.

All counts to run concurrent for total effective sentence of 4 years, all suspended to probation.

Cts. 1-90 - Nolle/Dismiss

On the basis of my statements in this petition, I request that the Court accept my plea of "GUILTY".

I agree that the Assistant District Attorney General may summarize what the State's witnesses would say if called to testify in this case, and I give up my right to confront and cross-examine those witnesses.

Signed by me in the presence of my attorney, this 20 day of September, 2023.

1. I have read and fully explained to the defendant the charge(s) against him/her as set out in the indictment or information. 5. I have explained to the defendant any/all potentially applicable forms of alternative sentencing, including probation.

6. I have read and discussed the foregoing Petition to enter a Plea of Guilty with the defendant in its entirety in detail.
