INTRODUCTION

This report reviews funds administered by District Attorneys General and Judicial District Drug Task Forces for the year ended June 30, 2021, for the first through the thirty-first judicial districts of the State of Tennessee. A separate review was conducted in each of the 31 judicial districts of the funds administered by the District Attorneys General and Judicial District Drug Task Forces. The results of our reviews of the judicial districts are presented in this report.

BACKGROUND

Each judicial district comprises from one to seven counties. Main offices are generally in the county where the district attorney general resides, with branch offices located in other counties. The district attorneys general had funds on deposit with some county trustees included in the respective judicial districts. The county trustees had one or more of the following types of funds on deposit: District Attorney General, Drug Task Force, Federal Asset Forfeiture, Metro/County Appropriations, and Others.

District Attorney General Fund

The District Attorney General Fund is used primarily to account for fees received from violating the Fraud and Economic Crimes Prosecution Act of 1984. In addition, this fund accounts for other sources of revenues received by the District Attorneys General, such as grants, investment income, miscellaneous refunds, contributions, and other local revenues.

Drug Task Force Fund

Some judicial districts have established multi-jurisdictional drug task forces under the leadership of the district attorneys general. These drug task forces were created by contract (mutual aid agreement) between the participating district attorneys general and city and county governments and were approved by their respective legislative bodies. Each judicial district drug task force, which generally includes sheriffs and police chiefs of participating law enforcement agencies within each judicial district, is governed by a board of directors.

Drug task force funds should be deposited with the county trustee in the county of each district attorney general's residence or another county designated by the district attorney general. The county trustees should credit these funds to the Judicial District Drug Fund.

All nonconfidential financial operations should be expended through these Judicial District Drug funds under the administration of the county mayors/executives. The directors of the drug task forces should submit requisitions to the county mayors/executives for goods and services, which would then be obtained through the county's purchasing system. Cash transactions for confidential funds should be requisitioned and disbursed under the supervision of each drug task force director and chairman.

Federal Asset Forfeiture Fund

In 1984, the United States Department of Justice enacted the Comprehensive Crime Control Act, which gave the Office of U.S. Attorney General the authority to share federally forfeited property with cooperating state and local law enforcement agencies. The three primary goals of the Justice Department's forfeiture program are 1) to punish and deter criminal activity by depriving criminals of property used for or acquired through illegal activities; 2) to enhance cooperation among federal, state, and local law enforcement agencies through equitable sharing of assets recovered through the program; and 3) to procure revenues to enhance forfeitures and strengthen law enforcement.

Through an agreement with the United States Department of Justice and the Drug Enforcement Administration (DEA), the Office of District Attorney General of the Thirtieth Judicial District is participating in this forfeiture program. Under this agreement, the District Attorney General's Office has assigned to the Drug Task Force (DTF) an officer who is under the direct supervision and control of DEA supervisory personnel. Upon request by the District Attorney General's Office, DEA reimburses for overtime payments made to the officer assigned to the DTF. The District Attorney General's Office deposits these reimbursements with the Shelby County Financial Director, who channels the funds through Shelby County's General Fund. Also, under this agreement, the District Attorney General's Office requests from DEA its share of property recovered through joint law enforcement activities in which the officer assigned to the DTF participates. Payments received are deposited with the Shelby County Trustee's Office into the U.S. District Attorney General Federal Asset Forfeiture Fund. Pursuant to the Department of Justice's policy, funds made available through this program must be used by the District Attorney General's Office for law enforcement purposes.

Through an agreement with the Internal Revenue Service, the Office of District Attorney General of the Twentieth Judicial District also participates in the forfeiture program. Payments received by the Twentieth Judicial District are deposited to a separate fund in Metro-Nashville Davidson County and must be used for law enforcement purposes.

Metro/County Appropriations Fund

The Metro/County Appropriations Fund consists of funds appropriated by the counties and cities in the Twentieth and Twenty-third Judicial Districts.

Other Funds

Other funds in the Fifteenth Judicial District consist of funds contributed to the District Attorney General's Office from Wilson County and the City of Lebanon from a drug case. Other funds in the Thirtieth Judicial District consist of funds raised from contributions from the City of Memphis to enhance a witness protection program (Witness Relocation Fund), copy fees for data processing (Escrow for D.P. Services Fund), and seized assets and other seized funds from street gangs (Multi-Gang Unit Fund.)

BASIS OF ACCOUNTING

The various governmental funds are accounted for using the modified accrual basis of accounting.
