223 Associates Blvd., Alcoa, TN 37701

Phone: 865-380-4700 Fax: 865-380-4797

December 15, 2023

Honorable Mayor
City Commission
Citizens of the City of Alcoa, Tennessee

The financial statements of the City of Alcoa, Tennessee for the fiscal year ended June 30, 2023, are submitted for your review. Responsibility for the accuracy and completeness of the presented data, including all disclosures, rests with the City. To the best of our knowledge and belief, this report is accurate in all material respects and is presented in a manner designed to fairly set forth the financial position and results of operations of the City. All disclosures necessary to enable the reader to gain an understanding of the City's financial activities have been included. Also included is Management's Discussion and Analysis (MD&A) which presents a narrative overview of the financial activities of the City.

These financial statements represent management's report to its governing body, constituents, legislative and oversight bodies, investors, and creditors. Copies of this report will be sent to elected officials, City management personnel, bond rating agencies, and other agencies that have expressed an interest in the City of Alcoa, Tennessee's financial matters. Copies of this financial report will also be placed in the Alcoa Municipal Building for use by the general public.

This report includes all funds (financial activities) of the City. The City provides a full range of municipal services including police and fire protection, water, sewer, electric utility services, development services, municipal courts, a K-12 education system, recreational and cultural activities, streets, traffic control, refuse collection, general administrative services, and operation of the Alcoa-Maryville-Blount County Landfill.

PROFILE OF THE GOVERNMENT

The City of Alcoa is a unique and culturally diverse community located in Blount County, Tennessee and forms the southern portion of the Knoxville metropolitan area. The 2020 U.S. Census certified population of Blount County is 135,280. The City of Alcoa's 2020 population is 10,834 which represents a 28% increase over the 2010 Census population of 8,449. The City was originally designed to serve as a company town by the Aluminum Company of America beginning around 1910. The Alcoa Company of America was attracted to this area because of the abundance of waterpower resources. The Little Tennessee River and its tributaries were considered a good source of the hydroelectric energy essential to the aluminum production process. After construction of a series of dams and the initial aluminum smelting facility, the company began actual construction of the town site in 1917. The City of Alcoa was formally chartered by private act of the Tennessee General Assembly effective July 1, 1919.

The City is governed by a City Manager-Commission form of government. The governing body of the City is a five-member City Commission who serve a four-year term of office. The elections for Commissioners are held on a staggered basis every two years. Following each regular biennial City election, the Commission elects two of its members to serve for a two-year period as Mayor and Vice Mayor, respectively. The Commission is responsible, among other things, for passing ordinances, resolutions, adopting the budget, appointing committees, and appointing a City Manager. The City Manager is responsible for carrying out the policies and ordinances of the commission and for overseeing the day-to-day operations of the City, as well as appointing heads of the various departments.

In addition to providing utility services to its citizens, the City provides water, sewer and electric services to customers who reside well beyond the corporate limits. The City's electric department covers approximately 2/3 of Blount County and provides power to approximately 31,299 customers. The City's water system extends predominantly over the northern and eastern portions of the County with the sewer system extending in the same general area but to a lesser degree. Current water and sewer customers total approximately 10,633 and 6,822, respectively. Additionally, the City furnishes wholesale water to Tuckaleechee Utility District which provides water to customers in the Walland and Townsend areas near the Great Smoky Mountains.

The annual budget serves as the foundation for the City of Alcoa's financial planning and control. The budget preparation process starts in late January when City departments begin assessing their needs for the coming year. The City Manager and Finance Director along with each Department Head begin meeting in March and April to discuss proposed budgets. In mid-May the City Manager presents his proposed budget for the upcoming fiscal year to the City Commission during a budget work session. The first reading of the Appropriation and Tax Levy Ordinance is presented in June at the Commission's regular meeting and the second and final reading at a called meeting prior to July 1. A Public Hearing on the proposed budget is held at one of the June meetings.

The City of Alcoa is a benchmark community. Its citizens are safe, well served, and proud of their neighborhoods. Comprehensive services are provided to citizens and customers using the latest available methods and technology. Employees are professional, effective, and a superior quality of life is emphasized.

FACTORS AFFECTING FINANCIAL CONDITION

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the City of Alcoa operates.

Local Economy

The City of Alcoa has experienced a fairly steady growth in the local economy since the great recession of 2009. Since 2014, growth in property values along with new construction have led to an increase in tax appraised values of over 28%. New construction has primarily been in the area of both single family and multifamily residential developments which is evidenced in the population growth mentioned above. Although online sales have dampened the expansion opportunities of large retailers, Alcoa has seen modest growth in new construction initiated by smaller chains, independent retailers, banks, and restaurants over the past year.

In terms of job growth, the joint Economic Development Board (EDB) created by the cities of Maryville, Alcoa and Blount County has seen tremendous success in creating new jobs by attracting new manufacturers such as Amazon and Smith & Wesson as well as facilitating expansions of existing employers such as Denso Manufacturing and Arconic (formerly ALCOA, Inc.). Since 2013, the EDB has secured over \$2.7 billion in new capital investment which has brought over 6,096 new jobs to Alcoa, Maryville, and Blount County. As a result, the local unemployment rate is only 2.9% as compared to 3.1% for the State of Tennessee and 3.8% for the United States.

The City entered into an agreement in FY 2016 with Arconic and a private developer to create a mixed-use urban development on the 300-acre former West Plant site, now known as Springbrook Farm. The City will invest approximately \$11 million in infrastructure in exchange for a secured interest in the property and a portion of the proceeds from future property sales. An additional \$5 million has been earmarked for related road improvements. A 6,000-foot boulevard including utilities was completed in August 2018. The master plan provides for over 700,000 square feet of retail and office space, 500 hotel rooms and over 1,300 residential units consisting of a mix of single-family lots, townhomes, apartments, and senior living facilities. Construction of a national brand hotel was completed and opened for business in 2021. In FY 2023, a second national brand hotel and major supermarket were completed. In 2022, construction began on a 300-unit upscale apartment complex. The first phase of the project was completed in FY 2023 producing 150 units. The second phase of the remaining 150 units is complete and awaiting final inspections. A new distilling company is expected to open in 2025 and will provide new and exciting activities for the community including live music, bonfire pits, and open access to the greenway trail.

In February 2021, Amazon announced their plans to construct a 2.7 million square feet regional distribution center with an investment in excess of \$200 million. Construction began on the facility shortly after the announcement and was completed in late 2022. The distribution center became fully operational in 2023 and resulted in over 1,500 new jobs with an anticipated 1,000 more to come.

A second major economic development was announced in September 2021. Smith & Wesson, a 169-year-old firearms company in Springfield Massachusetts, will move their entire operation including manufacturing, headquarters, and visitor center to Partnership Park North (PPN). PPN is a joint venture industrial park owned by the cities of Maryville, Alcoa, and Blount County. Smith & Wesson will invest approximately \$125 million in the community and will create 750 jobs. Construction on the new facility was completed in 2023.

Long-term Financial Planning

The City has made long-term financial provisions for various projects that will need to be undertaken in the next five years. The City is in the process of constructing several greenway projects which will link existing trail segments to school campuses and commercial centers (including the aforementioned Springbrook Farm). Phase I of construction was completed in June 2020 and Phase II was completed in September 2022. Phase II of the project totals approximately \$1.4 million to date with most being funded using 80% grants from the Tennessee Department of Transportation (TDOT). The City's share stems from a prior year bond issue which was appropriated into a capital projects fund.

The City did not issue new debt in FY23 nor was any existing debt reissued in FY23.

The City conducted two general obligation bond issues in FY22. In February, the City issued \$22.9 million in bonds to fund several projects with the largest involving the construction of Phase I of a two phase expansion to the existing intermediate school. This initial phase consists of the addition of 14 new classrooms along with a new kitchen and cafeteria. Phase II will provide additional classrooms, a new library, administrative office space, and renovation of the existing school. The estimated cost of Phase I is \$17 million and the City Commission authorized proceeding with construction based on anticipated new revenues stemming from commercial and residential construction taking place in Springbrook Farm along with Amazon breaking ground on their multimillion-dollar facility. The remaining bond proceeds were used to purchase two fire trucks, 51.4 acres of raw land for future Landfill needs, and to fund various capital projects tied to the Electric Department. Additional proceeds will be used to fund infrastructure improvements taking place in Partnership Park North to meet the needs of Smith & Wesson.

In April 2022, an \$8.5 million general obligation refunding bond in relation to the General Fund was issued. The purpose of this bond issue was to provide savings by taking advantage of low interest rates while simultaneously improving the overall debt structure of the General Fund. The proceeds from the original bond issue were used to fund various infrastructure needs and the construction of Alcoa High School. The refunding bond resulted in total savings of \$874 thousand for the General Fund.

The City is considering a 2024 bond issue to cover the cost of several major infrastructure projects that will take place in the near future. These projects are mainly related to utility funds. The Electric Department's current system is nearing capacity and will soon require an additional substation to meet customer demand. The construction of a new substation will play an essential role in continuing to provide quality and reliable electric service. The Water Department's aging infrastructure is in dire need of upgrades. A main artery of the water system that has been in operation since the utilities inception is scheduled to be completely replaced in 2024. Labor will be completed by City forces however the materials are estimated to cost over \$1 million. Debt issuance will be contingent upon interest rates and other economic factors at the time of consideration.

Internal Control

The management of the City of Alcoa is responsible for establishing and maintaining a system of internal control structure designed to ensure that the assets of the City are protected from loss, theft, or misuse and that adequate accounting data is compiled to allow for the preparation of the basic financial statements in conformity with U.S. Generally Accepted Accounting Principles (GAAP). The internal control structure is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived and the valuation of costs and benefits requires estimates and judgments by management.

Budgetary Controls

The City also maintains budgetary controls which are designed to ensure compliance with budgetary and legal provisions embodied in the annually appropriated operating budget approved by the City Commission. Activities of the General Fund, Special Revenue Funds, General Obligation Debt Service Fund, and Proprietary Funds are included in the annually appropriated operating budget. Project-length budgets are prepared for the Capital Projects Funds. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is the total operating budget, as adopted by City Commission. However, for budget administrative purposes, the City maintains budgeting controls at the major functional area appropriation levels. In addition to maintaining budgetary control via a formal appropriation, the City maintains an encumbrance accounting system. Encumbered appropriations are carried forward at the end of each fiscal year. As demonstrated by the statements and schedules included in the financial section of this report, the City continues to meet its responsibility for sound fiscal management.

Single Audit

As a recipient of federal and state financial assistance, the City is also responsible for an adequate system of internal control structure to ensure compliance with applicable laws and regulations related to those programs. This internal control structure is subject to periodic evaluation by management of the City.

As a part of the City's single audit, performed in accordance with the Single Audit Act and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, tests are made to determine the adequacy of the internal control structure, including that portion related to federal financial assistance programs, as well as to determine that the City has complied with applicable laws and regulations. The results of the City's single audit for fiscal year ended June 30, 2023, provided no instances of material weaknesses in the internal control structure or significant violations of applicable laws, regulations, or other matters.

OTHER INFORMATION

Independent Audit

The City Charter requires an annual audit by independent certified public accountants. The accounting firm of Pugh CPAs has been selected by the City Commission. The auditors' report on the financial statements is included in the financial section of the report.

In addition to this report, Pugh CPAs was also contracted to perform the Single Audit of the City's federal grant programs. This audit was designed to meet the requirements of the Federal Single Audit Act and the related Uniform Guidance.

Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Alcoa for its annual comprehensive financial report for the fiscal year ended June 30, 2022. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine eligibility for another certificate.

Acknowledgment

The preparation of this report could not have been accomplished without the dedicated service of the entire staff of the Accounting Division, the assistance of administrative personnel in the various departments, and the valuable guidance and assistance of the staff of Pugh CPAs. To them and to the City Commission for their support and interest in improving Alcoa's fiscal policies and practices, we express our sincere appreciation.

Respectfully yours,

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor, Members of Board of Commissioners,
and City Manager of City of Alcoa
Alcoa, Tennessee

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, budgetary comparisons for the general fund and education fund, and the aggregate remaining fund information of City of Alcoa, Tennessee (the "City"), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of June 30, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof and the respective budgetary comparison statements for the general fund and education fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Society
Of Certified Public Accountants

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages xii - xxii and the required supplementary information on pages 65 - 78 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The other supplementary information section as listed in the table of contents and the schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* on pages 154 - 156 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounts and other records used to statements themselves, and other additional procedures in accordance with prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplementary information section and the schedule of expenditures of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical information sections as listed in the table of contents but does not include the basic financial statements and our auditor’s report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2023 on our consideration of the City’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Alcoa’s internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the City of Alcoa's (the City) Annual Comprehensive Financial Report presents a narrative overview and analysis of the financial activities of the City for the fiscal year ended June 30, 2023. Readers are encouraged to consider the information presented here in conjunction with additional information that has been furnished in the letter of transmittal.

Financial Highlights

- The City's net position at June 30, 2023 is \$164,752,556, an increase of \$20,469,098 over the prior year. Of this amount, \$62,040,011 is unrestricted which may be used to meet the government's ongoing obligations to citizens and creditors.
- As of June 30, 2023, the City's governmental activities reported combined ending net position of \$64,635,560, an increase of \$5,895,988 over the prior year.
- The City's General Fund reported total fund balance of \$20,703,845 on June 30, 2023, an increase of \$5,478,457. This fund balance is 60% of total general fund revenue.
- On June 30, 2023, the City's Education Fund reported total fund balance of \$3,973,538, an increase of \$496,566 from last fiscal year. Fund balance of the Education Fund is 15% of total revenue. Tennessee State Law requires schools to maintain a minimum fund balance of 3% (TCA 49-3-352).
- The City did not issue any new debt or reissue existing debt in 2023.

Overview of the Financial Statements

This discussion and analysis are intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: (1) Government-wide financial statements, Fund financial statements, and (3) Notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the City's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The statement of activities presents information showing how the City's net position changed during the current fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future periods, such as revenues pertaining to uncollected taxes and expenses pertaining to earned but unused vacation and sick leave.

Both of the government-wide statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include mayor and commission, police, fire, community services, public works, community relations, city manager, recorder, municipal court, development services, economic development, financial services, human resources, and information technology. The business-type activities of the City include stormwater utility, water and sewer utility, electric utility, and landfill.

Fund Financial Statements

The fund financial statements are designed to report information about groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All the funds of the City can be divided into the following two categories: governmental funds and proprietary funds.

Governmental Funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. Most of the City's basic services are reported in governmental funds. However, these statements focus on near term inflows and outflows of spendable resources and spendable resources available at the end of the fiscal year. Such information may be useful in determining what financial resources are available in the near future to finance the City's programs.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City maintains several individual governmental funds organized according to their type (special revenue, debt service, and capital projects). Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, education (special revenue fund), the general obligation debt service fund, the Alcoa Intermediate School construction fund, and the West Plant construction fund which are all considered to be major funds. Data from the remaining governmental funds are combined into a single, aggregated presentation. Individual fund data for each of the non-major governmental funds is provided in the form of combining statements elsewhere in the financial statements.

The City adopts an annual appropriated budget for the general, special revenue, capital projects, and general obligation debt service. Budgetary comparison statements have been provided in the basic financial statements for the general fund and education fund. These statements for the non-major special revenue, capital projects, and general obligation debt service funds are included in Other Supplementary Information.

Proprietary Funds. Proprietary funds are generally used to account for services for which the City charges customers – either outside customers, or departments of the City. Proprietary funds provide the same type of information shown in the government-wide financial statements, but in more detail. The City maintains two types of proprietary funds:

- *Enterprise Funds:* Used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its Stormwater Utility, Water and Sewer Utility, Electric Utility, and Landfill operations. All enterprise funds are major funds of the City.
- *Internal Service Funds:* Used to report activities that provide supplies and services for certain City programs and activities. The City uses internal service funds to account for its health insurance, flexible spending, OPEB and Service Center operations. The internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the internal service fund is provided in the form of combining statements elsewhere in the financial statements.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Government-Wide Financial Statements

Analysis of Net Position

Over time, net position may serve as a useful indicator of a government's financial position. As shown on the following statement, the City's net position is \$164,752,556 at the close of the most recent fiscal year. The largest portion of the City's net position (58%) reflects its net investment of \$95.9 million in capital assets (e.g., land, buildings, infrastructure, improvements, machinery, and equipment), less related debt used to acquire those assets that are outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, as the capital assets themselves cannot be liquidated for these liabilities. An additional portion of the City's net position, 6.9 million (4.2%) represents resources that are subject to external restrictions on how they may be used.

Analysis of Change in Net Position

The following statement and associated graph indicate an increase in net position as of June 30, 2023 of \$20,469,098 over prior year. Normal operations increased net position by \$20.5 million primarily due to increased general revenue in governmental activities and increased program revenues in business type activities. The increase in business-type activities can be attributed to growth in our customer base as well as incremental rate adjustments based on the Consumer Price Index (CPI). Sales and other state taxes grew approximately \$1.2 million from FY2022, which includes a \$600 thousand increase in sales taxes. Operating grants and contributions increased by approximately \$2.5 million, partly due to increased State funding in Education. The expense side increased \$12.5 million for governmental activities and \$8.4 million in business-type activities resulting in a total increase of close to \$21 million in total expenses. The large increase in governmental activities is due to construction cost associated with the Phase I expansion of Alcoa Intermediate School. The business-type activities increase in expenses is mainly due to infrastructure improvements required to meet the growth needs of several major economic development projects. Another factor contributing to rising expenses is the increased cost of materials tied to rising inflation. COVID related supply chain issues have resulted in the unexpected addition of vendor escalation fees which has further increased the cost of certain products.

Governmental Activities:

- Governmental activities increased the City’s net position by \$5,895,988. Although expenses came in lower than expected the primary reason for the increase is related to revenue growth. Revenue increased in several major areas including 6% in sales, 4% in property, and 14% in other taxes.
- Governmental activities revenue increased by \$2,148,182 million over the prior year primarily due to increased local and State revenue related to consumer spending, property tax roll growth, and additional funding opportunities for Education. The construction of a wholesale liquor store in 2022 also contributed to the increase by producing a 42% increase in liquor taxes.
- Expenses increased by \$12.5 million or 22%, due to the Phase I expansion of Alcoa Intermediate School which made up 14% of total expenses. Increased expenses can also be attributed to the receipt of multiple vehicles and heavy equipment that were backordered from previous fiscal years.

Business-type Activities:

- Business-type activities increased the City's net position by \$14,573,110.
- The Electric Utility is the largest business-type activity with operating revenues of \$78,940,189 and total operating expenses of \$74,585,212. Of that amount, Purchased Power expense totaled \$57,808,536 which is an increase of \$5.2 million or 9.8% from the prior year. This increase is primarily the result of pass-through fuel cost adjustments from the City's wholesale electricity supplier, the Tennessee Valley Authority. To offset the increased expense, the base customer charge was raised by \$2.25 effective October 2022. Other operating costs exhibited an increase of \$194,941 from the prior year.
- The Water and Sewer Utility ended the fiscal year with total operating revenues of \$17,470,429, and operating expenses of \$14,140,583 which resulted in a change in net position of approximately \$5.7 million. Increased charges for service related to new residential and commercial development as well as an automatic annual consumer price index (CPI) adjustment on rates contributed approximately \$713,081 to increased revenue. The largest factor contributing to increased revenue was the receipt of approximately \$1,987,409 in ARPA funds to be used on water & sewer infrastructure improvements. On the expense side, normal operating costs increased by \$2,0512,215 due to increased cost related to wastewater disposal as well as the increased cost of construction materials.
- The Landfill Utility Fund ended the fiscal year with a change in net position of \$2,820,400. This is an increase of \$626,014 over the prior year and is mainly due to an automatic increase in the tipping fee per ton of refuse based on the consumer price index (CPI). Additionally, increased use of the landfill cell designated for demolition/construction materials also contributed to the growth of net position.
- The Stormwater Utility ended the fiscal year with a change in net position of \$3,213,925. This is an increase of over \$3 million and is a result of capital contributions related to the development of Springbrook Farm.

Financial Analysis of the Government's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of resources that are available for spending. Such information is useful in assessing the City's financing requirements. Unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. Types of governmental funds reported by the City include the General Fund, Special Revenue Funds, Debt Service Funds, and Capital Project Funds.

As of the end of the fiscal year June 30, 2023, the City's governmental funds reported combined ending fund balances of \$34.9 million, a decrease of over \$4 million from 2022. This decrease is the result of large cash outflows during the construction of Alcoa Intermediate School Phase I. Approximately \$20.2 million or 58% of this total amount constitutes unassigned fund balance, which is available for spending at the City's discretion.

The General Fund is the chief operating fund of the City. At the end of the current fiscal year, the unassigned fund balance of the General Fund was \$20.2 million with total fund balance at \$20.7 million. As a measure of the General Fund's liquidity, it may be useful to compare unassigned fund balance to total fund expenditures. Total unassigned fund balance represents 85% of the \$23.7 million total general fund operating expenditures.

The Education Fund is the operating fund for Alcoa City Schools. As of June 30, 2023, the fund balance is almost \$4 million which is an increase of \$497 thousand over the prior year amount of \$3.5 million. The fund balance represents 15% of the school's total budget of \$27 million. The key reasons for the increase can be attributed to growth in the State's Basic Education (BEP) funding and increased sales tax at the county level.

The Debt Service Fund is used to pay principal and interest for debt issued for City and School-related projects. The revenue in the Debt Service Fund is composed of transfers made by the General Fund. The committed fund balance at June 30, 2023 is \$2,486,757 which represents an increase of \$326,096 over the previous year.

The West Plant Construction Fund is used to account for funding sources and associated expenditures incurred in conjunction with infrastructure construction relating to the West Plant re-development project. The revenue in the West Plant Construction Fund is composed of Tennessee Department of Transportation grants and budgeted transfers from the General Fund. The restricted fund balance at June 30, 2023 is \$1,191,962 which will be used for future expenditures incurred with the re-development project.

The Alcoa Intermediate School (AIS) construction fund is used to account for funding sources and associated expenditures related to the phase I expansion of the existing intermediate school. The revenue in the AIS construction fund is composed of bond proceeds. The restricted fund balance at June 30, 2023 is \$1,191,864 which will be used for future construction related expenditures.

Schedules for Other Non-Major Governmental Funds, Capital Projects, and Special Revenue Funds are also found in the financial statements and discussed in the notes to the financial statements.

Proprietary Funds

The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

As of June 30, 2022, the Stormwater Utility net position totaled \$6,197,339. The Stormwater Utility's revenues exceeded expenses and generated a change in net position of \$3,213,925. This large increase is the result of a substantial capital contribution related to the construction of stormwater infrastructure in the Springbrook Farm development.

Net position for the Water and Sewer Utility as of June 30, 2023 was \$38,727,640, which represents an increase of \$5,740,658 from 2022. The annual CPI adjustment on rates contributed to some of the increase along with growth in residential and commercial sales which can be attributed to economic growth over the past 12 months. The largest factor contributing to the increase is the receipt of Springbrook Farm related capital contributions. Operating expenses increased by \$2,051,215 due to a combination of factors including the increased cost of materials and wastewater disposal.

Net position of the Electric Utility as of June 30, 2023 was \$43,597,968, an increase of \$2,796,317 over the previous year. Total operating expenses increased by 5,347,350, of that amount purchased power made up \$5.2 million of the increase. Charges for service increased by \$6.5 million, mainly due to residential and commercial customer growth as well as the addition of two major industrial customers in 2023.

Net position of the Landfill Utility increased by \$2,820,400 to \$11,592,239 as of June 30, 2023. This is the result of increased revenues coupled with a reduction in operating expenses. The improvement in operating revenues stemmed from an automatic CPI adjustment to the per ton tipping fee along with an increase in the tonnage being accepted at the landfill.

Budget Highlights

General Fund

The City passed one General Fund budget amendment in FY2023. The budget amendment was passed on June 23, 2023, and increased both revenues and expenditures by \$815,000, resulting in a net zero effect. The amendment was necessary to prevent overspending appropriations in a few functional areas where necessary operational costs were severely impacted by inflation. Funding for this additional appropriation stemmed from growth in property and liquor tax as well as interest earnings that exceeded expectations. Overall operating revenues exceeded the original budget by approximately \$3.6 million. General Fund operating expenditures were under budget by approximately \$898,823 primarily due to the delayed completion of several planned capital projects which were the result of lingering production slowdowns and construction material shortages caused by COVID-19.

Capital Assets and Debt Administration

The City's capital assets for governmental and business type activities as of June 30, 2023 amount to \$248,486,176 (net of accumulated depreciation). Capital assets include land, buildings, infrastructure, improvements, machinery and equipment, lease assets, and construction in progress.

The table below reflects the capital assets at the end of both the current and prior fiscal years:

	Governmental Activities		Business-Type Activities		Total Primary Government	
	2023	2022	2023	2022	2023	2022
Land	\$ 2,197,303	\$ 2,197,303	\$ 5,022,573	\$ 5,022,573	\$ 7,219,876	\$ 7,219,876

Major capital asset events during the current fiscal year include the following:

- Equipment and vehicles purchased for use in both governmental and business-type activities.
- Continued water line and sewer lines projects (new and rehab).
- Voltage and substation improvements and line extensions in the electric department.
- Construction in progress for an additional Landfill cell.
- Continued infrastructure construction in progress at the Springbrook Farm development.
- Infrastructure construction in progress at the Amazon distribution center.
- Infrastructure construction in progress at the Smith & Wesson manufacturing and headquarters site.
- Phase I expansion of Alcoa Intermediate School.

For government-wide financial statement presentation, all depreciable capital assets are depreciated from acquisition date to the end of the current fiscal year. Fund financial statements record capital asset purchases as expenditures. Please refer to the Notes to the Financial Statements (See Note 6 – Capital Assets) for further information regarding capital assets.

Long-Term Debt

At the end of the current fiscal year, the City had total long-term debt obligations outstanding of \$199.5 million. Of this amount, \$146.5 million are general obligation bonds backed by the full faith and credit of the City. The estimated liability for Landfill closure and post closure costs is \$13.3 million. The remainder includes leases of \$7.3 million and compensated absences of \$2.4 million.

	Governmental Activities		Business-Type Activities		Total Primary Government	
	2023	2022	2023	2022	2023	2022

The City of Alcoa's debt payable decreased by a net of \$7,447,494 during the current fiscal year as a result of budgeted debt service payments. The City did not issue any new debt in 2023; however, from 2020 through 2022 refunding bonds were issued to replace existing debt saving the City \$8.7 million in reduced interest cost over the life of the debt.

Principal payments in FY2023 consisted of \$6.6 million for bonds and \$572,820 for lease liabilities. Liabilities for closure/post-closure increased \$470,173 based on state formula guidelines and compensated absences increased by \$306,035 based on benefit formulas.

Additional information on the City's long-term debt can be found in the Notes to the Financial Statements (see Note 7 – Debt and Long-Term Liabilities).

Economic Factors and Next Year's Budget Highlights

The primary revenues of the City of Alcoa's governmental activities stem from various taxes on consumption and wealth along with charges for goods or services for business-type activities. Consumption taxes include the hotel/motel tax, various alcohol related taxes, general business taxes, and most importantly, the general sales tax. Taxes on wealth primarily include the ad valorem property tax along with various related in-lieu-of taxes. Sales tax revenues have increased steadily since FY2009, which was the first year of the great recession. Over a ten year period, growth in existing property values along with net new construction coupled with a 2020 property tax rate increase have led to an increase in property tax collected of 67%. Although new commercial construction continues at a steady pace, much of the construction activity over the past several years has focused on both single family residential and apartment development.

Growth trends for sales and property taxes are generally very good indicators in forecasting sales revenues for proprietary funds. More residential and commercial development should equate to an increase in water, sewer, and electric sales. However, both electric and water sales growth projections have been tempered by a continuing trend of reduced consumption per customer. This is a result of both conservation efforts and vast improvements in the efficiency of residential and commercial fixtures, appliances, and equipment. The impact of this has affected the water and sewer utilities more so than electric due to their smaller size in terms of customers and overall revenue. The major investment in capital assets required by water production, distribution, and wastewater treatment, coupled with mandated staffing levels of licensed personnel to operate the facilities creates a heavy burden of fixed costs. In other words, these fixed costs must be covered by water and sewer sales regardless of the volumes sold. The City of Alcoa continuously monitors its water and sewer operations to ensure that rates and resulting revenues are sufficient to adequately provide for system operations yet remain at competitive levels with neighboring utilities.

The factors influencing the overall health of the community include population, employment, job creation, housing, retail growth, and private capital investment are discussed below.

The City of Alcoa's population has grown steadily over the past four decennial censuses from 6,400 in 1990 to 10,834 in 2020 which represents an annual growth rate of 1.8%. This correlates with the growth in single-family and multifamily residential development mentioned above. Although population growth generally translates into additional property and sales taxes, there is also a cost to provide services to those new populations. When the capacity of any service provided is reached, the cost of added capacity can have a significant impact on the City's budget. So far, the City's growth has not reached the threshold requiring significant expansion of general governmental services with the exception of classroom capacity at the Alcoa Intermediate School. Construction began in October 2021 on a major addition to provide additional classrooms along with a new kitchen and cafeteria. Construction was completed in the Summer of 2023 allowing students to begin the 2023-2024 school year in the new addition.

With respect to consumption taxes, i.e., sales taxes, Alcoa's population levels have not historically played a significant role in the growth or decline of those taxes. Alcoa is a commercial center that surrounds the Knoxville Metropolitan Airport and borders the City of Knoxville and Knox County, thereby making it a convenient destination for customers from all over the metropolitan area. In other words, Alcoa's retail customer base is much larger than its population base.

Alcoa's economic success depends a great deal upon the economic wellbeing of the region as a whole. For most households, economic wellbeing is a direct result of a well-paying job. Providing high quality jobs has been a long-standing focus of the City's administration. Alcoa along with the City of Maryville and Blount County fund a joint Economic Development Board (EDB) which has been tremendously successful in creating new jobs through both attracting new employers and facilitating the expansion of existing ones. For example, Smith & Wesson, announced they would be moving their gun manufacturing and corporate headquarters to Blount County after residing in Springfield Massachusetts, for the past 169 years. Facility construction was completed in 2023 in an industrial park owned jointly by the Cities of Alcoa, Maryville, and Blount County. Smith & Wesson invested an estimated \$133 million constructing their facility and will provide 750 new jobs.

Commercial and residential assessments grew by \$8.6 and \$2 million, respectively in FY2023 over FY2022 resulting in, a property tax revenue increase by almost ½ million dollars in FY2023. This is a result of continued growth in commercial and residential construction coupled with significant additions in both business and industrial personal property.

Over the past several years, the City has averaged around 35 new single-family homes per year. These new housing units have been primarily located in the City's premier subdivisions and would be considered in the upper echelon in terms of value based on regional standards. Due to growth in population, permits for new single family residential construction jumped to 79 in FY2023. Virtually all the inventory of available lots has been depleted and available land for future development is limited. However, residential developments for single family detached on smaller lots combined with attached townhomes appear to be the new trend in home ownership. A project started last year with 141 townhomes has completed several phases and construction should be finalized in FY2024. A second project with 112 single family detached small lots is in the final stages of design. Additionally, the boom in apartment complex construction continues with over 798 units in various stages of completion adding to the 722 units completed since 2016. Another mixed-use development complex with 400 residential units is in the design phase.

Despite positive growth trends in population, jobs, sales, and property tax experienced over the past several years, the City recognizes there is more that can be accomplished to assist in creating an increased level of economic stability for the future. With that in mind, the City has stepped in to serve as the catalyst for starting a major re-development project located at the geographical core of the City.

The project involves converting a 300-acre former factory site into a mixed-use urban development. The site had been home to Alcoa Inc.'s West Plant fabricating mill from its construction in 1921 until it ceased operations in 1988. Demolition of all the structures occurred shortly thereafter and discussions as to the property's reuse continued until 2008 when Alcoa Inc. began a search for qualified firms with the experience and capacity to successfully complete a redevelopment project of this size. In 2009, Alcoa Inc. (now Arconic) entered a re-development agreement with Airport Center Development Partners (ACDP) with the primary partner being ReSight of Littleton, CO to create a mixed-use, urban development. Aside from completing an initial master plan, the great recession halted any further activity on the project.

In 2011 the City and developers began engineering design of the main artery through the site; however, the post-recession private capital markets rendered it virtually impossible for the developers to obtain the financing needed for construction. By the spring of 2016 it was clear that the project would linger for many years unless the City took a larger role in investing in the initial infrastructure necessary to make the site assessable for development. As a result, in December 2016 the City agreed to invest approximately \$11 million in infrastructure in exchange for a secured interest in the property and a portion of the proceeds from future property sales. Construction on a 6,000-foot boulevard including utilities began in April 2017 and was completed in August 2018. Additionally, in 2018, a revised master plan was completed, and the development was named Springbrook Farm based on its location adjacent to the historic Springbrook neighborhood. The new master plan provides for over 700,000 square feet of retail and office space, 500 hotel rooms, and over 1,300 residential units consisting of a mix of single-family lots, townhomes, apartments, and senior living facilities.

Funding for this project came from the issuance of \$9.9 million in general obligation bonds coupled with \$2.6 million previously committed in a capital projects fund, with an additional \$5 million allocated for roadway renovations in FY2018. The City realizes that build out of the project may extend over 20 or more years but expects to recoup its initial investment within 7 to 10 years based on a portion of property sales and the ensuing growth in property and sales taxes. In FY2021 construction was completed on a national brand hotel while preliminary grade-work began on a new supermarket and a 300-unit upscale apartment complex. In 2023 the supermarket opened, and the apartment complex began renting units. A major restaurant opened in August 2022 and a second is currently under construction. A second major brand hotel was opened in 2023 and construction is currently underway on 3 fast food restaurants and 2 multi-story mixed use buildings. Company Distilling, Tennessee's newest distillery, is set to open in 2025. This facility will serve as its primary distillery and will include a tasting room, restaurant, brewery, and retail store.

As FY2022 transitioned to FY2023, the Springbrook Farm development was acquired by RealtyLink of Greenville, SC. RealtyLink specializes in retail development in the southeastern United States as well as Texas and are currently negotiating with a vast array of retailers that they are proposing to locate within Springbrook Farm.

Two major economic development agreements were announced in 2021. In February, a development agreement was executed for the construction of a regional distribution center for Amazon. This agreement will result in a 5 story, 2.8 million square foot facility providing up to 1,000 new employment opportunities in Blount County. Amazon's investment in the facility is estimated to be over \$250 million. Amazon officially began operations in their new facility in 2023. As mentioned previously, the second major development was announced in September 2021 when Smith & Wesson revealed their plans to relocate from Springfield, Massachusetts to Blount County. Smith & Wesson's estimated investment is \$133 million and will result in 750 new jobs in Blount County. Smith & Wesson officially began production in their new facility in October 2023.

Many factors were considered in preparing the City of Alcoa's budget for the 2024 fiscal year. The City has invested a great deal of capital in preparing for future economic development which will provide a return on investment from growth in sales and property taxes. However, this new growth and resulting revenue will not be immediate and it will take time before the City recognizes a return on this investment. In the interim, the City will continue to provide the same quality services to its citizens utilizing existing revenues and funding sources available.

Requests for Information

This financial report is designed to provide our citizens, taxpayers, city commissioners, customers, investors, and creditors with a general overview of the City's finances. If you have any questions about this report or need additional information, contact:

CITY OF ALCOA, TENNESSEE

RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS TO THE STATEMENT OF NET POSITION

June 30, 2023

Amounts reported for governmental activities in the statement of net position are different because:

Ending Fund Balance - Governmental Funds	\$	34,913,962	
Note Receivables recorded in governmental activities are not financial resources and, therefore, are not reported in the governmental funds.			5,337,873
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the governmental funds.			
Capital Assets	\$	203,052,557	
Less: Accumulated Depreciation		<u>(80,031,553)</u>	123,021,004
Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the funds.			
Long-Term Debt		(85,085,000)	
Unamortized Bond Premium		(5,356,397)	
Lease Obligations		(7,290,537)	
Compensated Absences		<u>(1,018,090)</u>	(98,750,024)
Internal service funds are used by management to charge certain costs (e.g., certain employee benefits, insurance, maintenance, and use of equipment) to individual funds. The assets and liabilities of the internal service funds are included in the governmental activities in the statement of net position.			2,163,130
Net pension assets and liabilities of the City's pension plans are not current financial resources and, therefore, are not reported in the governmental funds.			(2,811,887)
Other post-employment benefits liabilities are not current financial resources and, therefore, are not reported in the governmental funds.			(7,761,591)
Amounts reported as deferred outflows of unamortized amounts on refundings, deferred outflows related to other post-employment benefits, and deferred outflows related to pensions increase the amount of net position reported in the statement of net position, but are not reported as assets in the funds. Similarly, deferred inflows related to pensions and other postemployment benefits decrease the amount of net position reported in the statement of net position, but are not reported as liabilities in the funds.			
Deferred Outflows of Resources Related to Deferred Bond Refunding Costs		60,792	
Deferred Outflows of Resources Related to Pensions		9,683,128	
Deferred Outflows of Resources Related to Other Post-employment Benefits		1,769,299	
Deferred Inflows of Resources Related to Pensions		(949,862)	
Deferred Inflows of Resources Related to Other Post-employment Benefits		<u>(2,040,264)</u>	<u>8,523,093</u>
Net Position of Governmental Activities	\$		<u><u>64,635,560</u></u>

CITY OF ALCOA, TENNESSEE

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES**

June 30, 2023

Amounts reported for governmental activities in the statement of net position are different because:

Net Change in Fund Balances – Total Governmental Funds	\$	(4,168,776)
--	----	-------------

Governmental funds report note receivable disbursements as expenditures and the subsequent receipts as revenues. However, on the Statement of Net Position the subsequent receipts (\$658,102) reduce the receivable.	(658,102)
---	-----------

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Capital Assets Purchased	\$ 12,435,250	
Depreciation Expense	<u>(5,418,596)</u>	
Net Change in Capital Assets		7,016,654

The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.

Add: Principal Payments on Debt	3,215,000	
Add: Principal Payments on Leases	<u>572,820</u>	3,787,820

Expenses reported in the statement of activities include amortization of the deferred amount on debt refunding (\$2,763). In addition, the amortization of bond premium results in reduction of expenses (\$218,224). These amounts do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.	215,461
---	---------

Internal service funds are used by management to charge certain costs (e.g., certain employee benefits, insurance, maintenance, and use or equipment) to individual funds. The net revenue (expense) amounts of the internal service funds are reported with governmental activities.	(1,827,158)
---	-------------

Certain assets, liabilities, deferred inflows, and deferred outflows accounted for using the economic resources focus and the accrual basis of accounting are reported in the Statement of Net Position but are not reported in the fund financial statements, which include only items that are accounted for using current financial resources measurement and modified accrual basis of accounting. These amounts do not provide or require the use of current financial resources and, therefore, are not reflected in the revenues and expenditures of governmental funds.

Change in Assets and Deferred Outflows of Resources		
Net Pension Asset	(12,416,512)	
Deferred Pension Outflows	536,093	
Deferred Other-Postemployment Benefits Outflows	<u>(256,881)</u>	(12,137,300)

Change in Liabilities and Deferred Inflows of Resources		
Net Pension Liability	(3,233,678)	
Other Post-Employment Benefit Liability	414,550	
Compensated Absences	(119,468)	
Deferred Pension Inflows	16,648,157	
Deferred Other Post-Employment Benefits Inflows	<u>(42,172)</u>	<u>13,667,389</u>

Change in Net Position of Governmental Activities	\$	<u><u>5,895,988</u></u>
---	----	-------------------------

The accompanying notes are an integral part of these financial statements.

CITY OF ALCOA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS
June 30, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) REPORTING ENTITY

The City of Alcoa, Tennessee (the "City") was incorporated July 1, 1919, under the provisions of Act 116, P.A. 1919, as amended. The City operates under a City Manager - Commission form of government governed by an elected five-member Board of Commissioners. The City provides the following services as authorized by its charter: public safety (police and fire), highways and streets, public utilities, education, public improvements, planning and zoning, and general administrative services.

The financial statements of the City have been prepared in accordance with generally accepted accounting principles (GAAP) followed in the United States of America. The Governmental Accounting Standards Board (GASB) is the established and recognized standard-setting body for governmental accounting and financial reporting. The GASB periodically issues new or revised standards that are implemented by the City.

Governmental Accounting Standards Board (GASB) *Statement No. 14 - "The Financial Reporting Entity"* as amended by GASB *Statement No. 39 "Determining Whether Certain Organizations are Component Units"* defines the reporting entity as the primary government and those component units for which the primary government is financially accountable. Financial accountability is defined as appointment of a voting majority of a component unit's board, and either a) the ability to impose will by the primary government, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government. The City is a primary government including Alcoa City Schools (the School System) and has no component units.

(B) GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The basic financial statements include both government-wide and fund financial statements. Both the government-wide and fund financial statements categorize activities as either governmental activities or business-type activities. *Governmental activities* are normally supported by taxes and intergovernmental revenues. *Business-type activities* rely to a significant extent, on fees and charges for support. All activities, both governmental and business-type, are reported in the government-wide financial statements using the economic resources measurement focus and the accrual basis of accounting, which includes long-term assets as well as long-term obligations. The government-wide financial statements focus more on the sustainability of the City as an entity and the change in aggregate financial position resulting from the activities of the fiscal year.

The government-wide statement of activities demonstrates the degree to which the direct expenses, including depreciation, of the various departments of the City are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific department. Interest on general long-term debt and depreciation expense on assets shared by multiple departments are not allocated to the various departments. Program revenues include revenues from fines and forfeitures, licenses and permit fees, special assessment taxes, certain intergovernmental grants, other entities participation and charges for services. Taxes and other items not properly included among program revenues are reported as general revenues.

The City does not currently utilize an indirect cost allocation system. The General Fund charges certain administrative fees to departments within other operating funds to support general services used by those funds. The expenditures/expenses are recorded as a reduction of expense in the allocating fund. Therefore, no elimination is required from either the government-wide or fund level financial statements.

Generally, the effect of interfund activity has been removed from the government-wide financial statements. Net interfund activity and balances between governmental activities and business-type activities are shown in the government-wide financial statements.

The fund financial statements emphasis is on the major funds in either the governmental or business-type categories. Non-major funds are summarized into a single column.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(B) GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS (Continued)

Internal service funds of a government (which traditionally provide services primarily to other funds of the City) are presented as part of the proprietary fund financial statements. Since the principal users of the internal services are the City's governmental activities, financial statements of internal service funds are consolidated into the governmental column when presented at the government-wide level. To the extent possible, the costs of these services are reflected in the appropriate department.

(C) BASIS OF PRESENTATION

The City uses funds to report on its financial position and the results of its operations. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid in the City's financial management by segregating transactions related to certain functions or activities. The following fund categories are used by the City:

Governmental Fund Types

Governmental Funds are those through which most of the governmental functions of the City are financed. The focus of Governmental Fund measurement, in the fund financial statements, is upon determination of financial position and changes in financial position rather than upon net income. Governmental Funds are accounted for using the modified accrual basis of accounting. Governmental Funds include the following fund types:

General Fund: The General Fund is established to account for resources devoted to financing the general services that City performs for its citizens. The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required or elected to be accounted for in another fund. The General Fund is always considered a major fund in the basic financial statements.

Special Revenue Funds: Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted or committed to expenditures for specified purposes. There is one special revenue fund presented as a major fund in the basic financial statements as follows:

Education Fund: The Education Fund is used to account for the general operations of the Alcoa City Schools. Major funding for the Education Fund is provided by State education funds, shared revenues provided by Blount County, and transfers from the City's General Fund.

Debt Service Funds: Debt Service Funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs. There is one debt service fund presented as a major fund in the basic financial statements as follows:

Debt Service Fund: The Debt Service Fund is used to account for the accumulation of resources for, and the payment of, general long-term debt not being accounted for in the Enterprise Funds.

Capital Projects Funds: Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of capital facilities and/or related improvements, other than those financed by proprietary funds operations. There are two capital project funds presented as major funds in the basic financial statements as follows:

Alcoa Intermediate School Construction Fund: The Alcoa Intermediate School Construction Fund is used to account for expenditures incurred for the construction of the intermediate school addition.

West Plant Construction Fund: The West Plant Construction Fund is used to account for funding sources, including bond proceeds, Tennessee Department of Transportation grants and General Fund appropriation and associated expenditures incurred in conjunction with infrastructure construction relating to the West Plant redevelopment project.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(C) BASIS OF PRESENTATION (Continued)

Proprietary Fund Types

Proprietary funds are used to account for the City's ongoing operations and activities, which are similar to those often found in the private sector. The focus of Proprietary Fund measurement is upon the determination of operating income, changes in net position, financial position, and cash flows. Proprietary funds include the following fund types:

Enterprise Funds: Enterprise Funds are used to account for operations, including debt service, (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis is financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The following enterprise funds are used by the City:

Stormwater Utility Fund: The Stormwater Utility Fund is used to account for the operations of the City's stormwater utility system. This fund is presented as a major fund in the basic financial statements.

Water and Sewer Utility Fund: The Water and Sewer Utility Fund is used to account for the operation of the City's water and sewer system. This fund is presented as a major fund in the basic financial statements.

Electric Utility Fund: The Electric Utility Fund is used to account for the operation of the City's electric system. This fund is presented as a major fund in the basic financial statements.

Landfill Fund: The Landfill Fund is used to account for the operation by the City of the Blount County Landfill. This fund is presented as a major fund in the basic financial statements.

Internal Service Funds: Internal Service Funds are used to account for the providing of goods or services to other governmental operating units on a cost reimbursement basis. The purpose of centralizing certain activities in an Internal Service Fund is to achieve a level of operating efficiency that may not be available if the same activities were performed by multiple units within the governmental organization. The objective of an Internal Service Fund is not to make a profit but rather to recover, over a period of time, the total cost of providing the goods or services. The following internal service funds are used by the City:

Employee's Insurance Fund: The Employee's Insurance Fund is used to account for the City's self-insured health insurance program. Premiums charged to various operating funds and employee payroll deductions are placed in this fund for the payment of medical claims and administrative expenses.

Flexible Spending Fund: The Flexible Spending Fund is used to account for the City's flexible spending program. Employee payroll deductions are placed in this fund for the payment of dependent care and medical claims.

Service Center Fund: The Service Center Fund is used to account for services provided to other departments of the City by the Service Center, on a cost reimbursement basis.

City OPEB Insurance Fund: The City OPEB Insurance Fund is used to account for the City's other postemployment benefits.

School's OPEB Insurance Fund: The School's OPEB Insurance Fund is used to account for the School's other postemployment benefits.

Fiduciary Fund Types

These funds account for assets held by the City as trustee or agent, and are as follows:

Employees' Retirement System Fund: The Employees' Retirement System Fund was established to provide pension benefits for City employees. The Pension Trust Fund is used to account for assets held by the City in a fiduciary capacity for employees or former employees of the City. The Pension Trust Fund, like Proprietary Funds, uses the accrual method of accounting.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(D) MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

The government-wide and proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. This is the manner in which these funds are normally budgeted. This presentation is deemed most appropriate to 1) demonstrate legal and covenant compliance, 2) demonstrate the source and use of liquid resources, and 3) demonstrate how the City's actual experience conforms to the annual budget. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" is defined as collectible within the current period or within 60 days of the end of the current fiscal period. Expenditures, other than interest on long-term debt, are recorded when the related fund liability is incurred, if measurable. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Revenues susceptible to accrual include property tax, local sales tax, state-shared sales tax, highway user tax, franchise fees, and interest earned on pooled investments. Licenses and permits, charges for services, fines and forfeitures and miscellaneous revenues are generally recorded as revenues when received in cash because they are not measurable until actually received. In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended for a specific purpose or project before any amounts will be paid to the City; therefore, revenues are based upon the expenditures recorded. In the other, monies are virtually unrestricted as to the purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

The City reports deferred revenues in the governmental funds if the potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period. Deferred revenues also arise when resources are received by the City before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the City has a legal claim to the resources, the liability for deferred revenue is removed and revenue is recognized.

Since the governmental fund financial statements are presented on a basis different than the governmental activities column of the government-wide financial statements, a reconciliation is provided immediately following each fund statement. These reconciliations briefly explain the adjustments necessary to transform the fund financial statements into the governmental activities column of the government-wide financial statements.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. An exception to this rule is charges between the government's electric and water/sewer functions and various functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the applicable functions.

Amounts reported as program revenue include 1) charges to customers or users who purchase, use or directly benefit from goods or services provided by a particular department, 2) operating grants and contributions that are restricted to meeting the operational requirements of a particular department, and 3) capital grants and contributions that are restricted. Taxes, investment income and other revenues not identifiable with a particular department are included as general revenues. The general revenues support the net costs of the departments not covered by program revenues.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources, as they are needed.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing goods and services of the fund's principal ongoing operations. Operating expenses include the cost of providing the goods and services, administrative expenses, and depreciation on capital assets. Nonoperating revenues and expenses are items such as investment income and interest expense, which are not a result of the direct operations of the activity.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(E) ASSETS, DEFERRED OUTFLOWS, LIABILITIES, DEFERRED INFLOWS, AND NET POSITION/FUND BALANCES

Deposits and Investments - Cash and cash equivalents include cash on hand, bank deposits and short-term investments with maturities of three months or less at the time of purchase, including deposits with the State Treasurer's Local Government Investment Pool (LGIP). The City pools substantially all of its cash and cash equivalents. All bank deposits are fully insured by the Tennessee Investment Collateral Pool.

Deposits with LGIP may be withdrawn with a maximum of one day's notice and are valued at cost. The State Pooled Investment Fund, of which LGIP is a part, is managed like a Rule SEC 2a-7 fund. The same investment guidelines are followed, but the State Pooled Investment Fund is not reported to the SEC.

The State Pooled Investment Fund is governed by the State Funding Board in accordance with Tennessee Code Annotated. The Funding Board is comprised of the State Treasurer, the Comptroller, the Commissioner of Finance and Administration, the Secretary of State and the Governor. Reporting is done monthly, quarterly and annually and there are regularly scheduled meetings. The Funding Board has developed an Investment Policy which meets Rule SEC 2a-7 requirements and State laws.

Receivables - All receivables are shown net of an allowance for uncollectible accounts.

Unbilled Accounts Receivable - The City of Alcoa Utilities delay the recording of some accrued revenues due to the staggering of meter reading dates during the month. Consequently, there is a lag in meter reading time and billing dates as the Utilities do not bill at a cut-off date of June 30th, the year-end. Unbilled revenues are estimated by calculation of average daily revenue for the number of days unrecorded based on the following month's billing.

For the Electric Utility at June 30, 2023, unbilled revenue was estimated to be \$1,871,276. For the Water and Sewer Utility at June 30, 2023, unbilled revenue was estimated to be \$428,725.

Investments - Investments are carried at fair value. State statutes authorize the City to invest in obligations of federal treasuries and agencies, certificates of deposit, and the state investment pool.

Inventories and Prepaid Items - Materials and supplies inventories of the Proprietary Funds are maintained by a perpetual inventory accounting system and are valued on the lower of average cost or market, using the first-in first-out method. Inventory of the Alcoa City Schools' Cafeteria Fund is accounted for on the purchase (cost) basis, using the first-in first-out method.

Prepaid items consist of payments to vendors for costs applicable to future accounting periods. These items are recorded as prepaid items in both the government-wide and fund financial statements.

Regulated Operations - The Electric Utility Fund is an electric utility operation regulated by Tennessee Valley Authority (TVA), an agency of the federal government. TVA exercise oversight in the rate setting process and requires the use of accounting policies for public electric utilities as prescribed by the Federal Energy Regulatory Commission (FERC).

Capital Assets - Capital assets, including public domain infrastructure (e.g. roads, bridges, sidewalks, and culverts) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life greater than one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated acquisition value at the date of the donation. Capital assets received in a service concession arrangement are reported at estimated acquisition value.

The cost of normal maintenance and repairs that do not add to the value of the asset, or materially extend its life, are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Major improvements are capitalized and depreciated over the remaining useful lives of the related capital assets. Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives (land, rights-of-way/easements, and construction-in-progress are not depreciated):

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(E) ASSETS, DEFERRED OUTFLOWS, LIABILITIES, DEFERRED INFLOWS, AND NET POSITION/FUND BALANCES (Continued)

<u>Assets</u>	<u>Useful Life (Years)</u>
Building	50
Improvements	20-50
Equipment and Vehicles	5-25
Infrastructure	25-50

Depreciation for certain transportation equipment is distributed to various accounts on the basis of labor for each asset.

Deferred Outflows of Resources/Inflows of Resources - In addition to assets, the statement of net position reports a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net assets that applies to future periods and therefore, will not be recognized as an outflow of resources (expense/expenditure) until then. In addition to liabilities, the statement of net position reports a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net assets that applies to a future period and will not be recognized as an inflow of resources (revenue) until that time.

Compensated Absences - Accumulated unpaid vacation and vested sick pay are accrued in the Government-wide and all Proprietary Fund statements. Long-term liabilities of the governmental funds are not shown on the fund financial statements, as these benefits are not expected to be liquidated with expendable available financial resources.

City Employees - Employees are granted vacation and sick leave in varying amounts. Vacation is generally granted for periods from two (2) to five (5) weeks based on the number of years employed. Employees earning more than two (2) weeks of vacation during the previous calendar year may carry over one (1) week (40 hours) of vacation leave in addition to that earned the preceding year. In the event of termination, an employee is reimbursed for accumulated vacation days. Sick leave is accumulated at one (1) day per month for an unlimited amount. Employees are reimbursed for accumulated sick leave up to a maximum of eighty (80) days only after reaching the established normal retirement age. If an employee terminates prior to attaining the normal retirement age, the accumulated sick leave is forfeited.

School System Personnel - Employees accumulate sick leave at the rate of one (1) day per month or a maximum of ten (10) days per year based upon a ten (10) month period. Non-professional employees of the School System have the same sick leave policies as other employees of the City.

Long-Term Obligations - In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type. Debt premiums and discounts are deferred and amortized over the life of the debt. Debt payable is reported net of the applicable premium or discount.

In the fund financial statements, governmental fund types recognize debt premiums and discounts, as well as debt issuance costs, in the period in which the debt is issued. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources, while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Proprietary fund financial statements recognize debt premiums and discounts as deferrals that are amortized to interest expense over the life of the debt. Debt payable is reported net of the applicable premium or discount. Under GASB *Statement No. 62*, debt issue costs that are recovered through rate charges established by the regulatory authority are recognized as deferred regulatory charges. They are amortized over the life of the debt.

Interfund Transactions - Interfund transactions consist of identified services performed for other funds or costs billed to other funds and are recorded as expenditures in the fund receiving the services and as a reimbursement, reducing expenditures, in the fund performing the services except for sales of electric and water/sewer services to other City departments. All other interfund transactions are reported as transfers.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(E) ASSETS, DEFERRED OUTFLOWS, LIABILITIES, DEFERRED INFLOWS, AND NET POSITION/FUND BALANCES (Continued)

Net Position and Fund Balance - Government-wide and proprietary fund net position is classified into three components. "Net investment in capital assets" consists of capital assets net of accumulated depreciation and reduced by outstanding debt used to finance the purchase or construction of those assets. "Restricted" net position is noncapital net assets that must be used for a particular purpose as specified by creditors, grantors, or contributors external to the City. "Unrestricted" net position is remaining net position that does not meet the definition of the other two categories.

Governmental fund equity is classified as fund balance. The City follows GASB No. Statement 54, *Fund Balance and Governmental Fund Type Definitions*. Under this statement fund balances are classified into the following categories:

- a. Nonspendable fund balances comprise those amounts that cannot be spent due to their form (e.g. inventory and prepaids) or funds that legally or contractually are required to be maintained intact.
- b. Restricted fund balances comprise those amounts constrained to be used for a specific purpose by external parties, constitutional provisions or enabling legislation.
- c. Committed fund balances comprise those amounts that are set aside for a specific purpose by the City's highest level of decision-making authority (City Commission) through its highest level of formal action (ordinance). Formal action must be taken prior to the end of the fiscal year. The same formal action must be taken to remove or change the limitations placed on the funds. The General Fund has committed fund balance of \$500,000 for debt service.
- d. Assigned fund balances consist of amounts constrained by the City's intent to be used for specific purposes, but are neither restricted nor committed.
- e. Unassigned fund balances consist of excess funds that have not been classified in the previous four categories. The general fund is the only governmental fund that reports positive unassigned fund balance. In governmental funds other than the General Fund, expenditures incurred for specific purposes exceeding the amounts that are restricted, committed or assigned to those purposes will result in a negative unassigned fund balance in that fund,

City Commission has retained the authority to assign funds for specific purposes. When both restricted and unrestricted funds are available for expenditure, restricted funds are spent first unless legal requirements disallow it. When committed, assigned and unassigned funds are available for expenditure, committed funds are spent first, assigned funds next, and unassigned funds last.

Pensions - For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City's participation in the Public Employee Retirement Plan, the Public Employee Retirement Plan (Hybrid Without Cost Controls), the Teacher Legacy Plan, and the Teacher Retirement Plan of the Tennessee Consolidated Retirement System (TCRS), and the additions to/deductions from the City's fiduciary net position have been determined on the same basis as they are reported by the TCRS for the Public Employee Retirement Plan. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Public Employee Retirement Plan, the Public Employee Retirement Plan (Hybrid Without Cost Controls), the Teacher Legacy Plan, and the Teacher Retirement Plan of TCRS. Investments are reported at fair value.

Comparative Data/Reclassifications - Comparative total data for the prior year has been presented in selected sections of the accompanying financial statements to provide and understanding of the changes in the financial position and operations of the City. Comparative totals have not been included on statements where their inclusion would not provide enhanced understanding of the City's financial position and operations or would cause the statements to be unduly complex and difficult to understand.

Use of Estimates - The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses/expenditures, and the disclosure of contingent assets and liabilities at the date of the basic financial statements. Actual results could differ from those estimates.

(F) ADOPTION OF NEW ACCOUNTING STANDARD

The City adopted the provisions of GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*. This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end-users. It (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset (an intangible asset) and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. The Statement's effect on the financial statements was insignificant.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

(A) BUDGETARY INFORMATION

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

1. In a timely manner, the City Manager submits to the Board of Commissioners a proposed operating budget for the fiscal year commencing the following July 1st. The operating budget includes proposed expenditures and the means of financing them.
2. Public hearing is conducted by the City to obtain taxpayer comments.
3. Prior to July 1st, the budget is legally enacted through passage of an ordinance.
4. The City Manager is authorized to transfer budgeted amounts within major functional areas of any fund as outlined in the budget ordinance; however, any revisions that may alter the total expenditures of any major functional area or fund must be approved by the Board of Commissioners. The general fund is divided into the following major functional areas: *General Government, Public Works, Public Safety, Contributions to Other Agencies, Capital Outlay, and Transfers to Debt Service & Other Funds.*
5. Formal budgetary integration is employed as a management control device during the year for the General Fund, Special Revenue Funds, Debt Service Funds and Capital Project Funds.
6. Budgets for the General Fund, Special Revenue Funds and Capital Project Funds are adopted on a basis consistent with generally accepted accounting principles.

(B) SUPPLEMENTAL APPROPRIATIONS

The following revisions were made to the original fiscal 2023 budgeted expenditures and other financing uses by additional appropriations for the following major governmental funds:

Fund	Original Budget	Revisions	Final Budget
General Fund	\$ 23,833,453	\$ 815,000	\$ 24,648,453
Education Fund	\$ 26,788,500	\$ 336,500	\$ 27,125,000

NOTE 3 - DEPOSITS AND INVESTMENTS

(A) DEPOSITS

Custodial Credit Risk - Deposits - For cash and cash equivalents, this is the risk that, in the event of a bank failure, the City's deposits may not be available, or the City will not be able to recover collateral securities in the possession of an outside party. The City's policy requires that deposits be either (i) secured and collateralized by the institutions at 105% of the value of the deposits placed in the institution, less the amount protected by federal depository insurance or (ii) that deposits be placed in financial institutions that participate in the bank collateral pool administered by the Treasurer of the State of Tennessee. Institutions participating in the collateral pool determine the aggregated balance of their public fund accounts. The amount of collateral required to secure these public deposits must be at least 105% of the average daily balance of public deposits held.

Included in Cash and Cash equivalents at June 30, 2023 were balances in the State Treasurer's Local Government Investment Pool (LGIP) in the amount of \$5,257,223. Deposits with the LGIP are not subject to categorization and are reported at amortized cost using a table net asset value. The LGIP is not registered with the SEC as an investment company. However, the LGIP has a policy that it will operate in a manner consistent with the SEC's Rule 2a-7. SEC Rule 2a-7 allows SEC registered mutual funds to use amortized cost rather than fair value to report net assets to compute share prices if certain conditions are met. State statutes require the State Treasurer to administer the LGIP under the same terms and conditions, including collateral requirements, as required for other funds invested by the Treasurer. The reported value of the pool is the same as the fair value of the pool shares. There are no minimum or maximum dollar limits on the size of withdrawal transactions. In most cases, a withdrawal will be honored the same day it is requested. However, withdrawals of \$5,000,000 or more will be honored the next working day after request.

NOTE 3 - DEPOSITS AND INVESTMENTS (Continued)

(B) INVESTMENTS

Investments - Investments are stated at estimated fair value. State statutes authorize the City to invest in obligations of federal treasuries and agencies, certificates of deposit, and the state investment pool.

Investment Policies:

Interest Rate Risk - As a means of limiting its exposure to fair value losses arising from rising interest rates the City's investment policies limit investments to terms of no more than four years. As of June 30, 2023, the average weighted maturity of the Utilities portfolio was 2 months.

Credit Risk - Credit risk is the risk that the issuer, or other counterparty to an investment, will not fulfill its obligations. Investing is performed in accordance with investment policies which comply with applicable state statutes. The City's Investment Policy allows only investments in the highest-grade securities. As of June 30, 2023, the City's investment holdings were in compliance with state statutes.

Custodial Credit Risk - Investments - For an investment, custodial credit risk is the risk that, in the event of failure of the custodian, the City will not be able to recover the value of investments or collateral securities that are in the possession of an outside party. The City's investments are typically uninsured and unregistered investments for which the securities are held by the custodian's trust department or agent in the Utility's name. Certificates of deposit are secured by collateral held by the State's Collateral Pool. These would again include uninsured and unregistered investments for which the securities are held by the custodian's trust department or agent in the State's name.

Concentration of Credit Risk - Concentration of credit risk is the risk of loss attributed to the magnitude of the City's investment in a single issuer. The City has no limit on the amount it may invest in any one issuer. As of June 30, 2023, all of the City's investments are in United States Treasury Bills and Notes which are securities issued by the government of the United States of America. All U.S. Government Treasury investments have an Aaa credit rating.

As of June 30, 2023, the City had the following investments and related maturities.

	<u>Fair Value</u>	<u>Less than 1 Year</u>	<u>1 - 2 Years</u>	<u>2 - 4 Years</u>
Investments:				
U.S. Treasuries	\$ <u>7,889,503</u>	\$ <u>4,882,563</u>	\$ <u>3,006,940</u>	\$ <u>0</u>

Fair Value:

GASB Statement 72 Fair Value Measurements and Disclosures (GASB 72) defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. GASB 72 also established a fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1: Quoted priced in active markets for identical assets or liabilities.
- Level 2: Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

NOTE 3 - DEPOSITS AND INVESTMENTS (Continued)

(B) INVESTMENTS (Continued)

The City has the following recurring fair value measurement as of June 30, 2023:

U.S. Treasuries: Actively traded individual debt securities are valued at the quoted market prices for identical assets in active markets. For non-actively traded individual debt securities are valued using pricing models that maximize the use of observable inputs or similar securities which includes the yield currently available on comparable securities of issuers with similar maturities and credit ratings.

Below is a table that present information about certain assets measured at estimated fair value on a recurring basis:

	Carrying Amount in the Statement of Net Position	Fair Value Measurement Using		
		Quoted Prices in Active Market for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
As of June 30, 2023				
U.S. Treasuries	\$ 7,889,503	\$ 7,889,503	\$ 0	\$ 0

(C) INVESTMENTS - TCRS STABILIZATION TRUST / EMPLOYEE RETIREMENT SYSTEM OF THE CITY OF ALCOA

TCRS Stabilization Trust - The Alcoa City Schools is a member of the Tennessee Consolidated Retirement System (TCRS) Stabilization Reserve Trust. The Alcoa City Schools has placed funds into the irrevocable trust as authorized by statute under *Tennessee Code Annotated (TCA)*, Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of the trust. Funds of trust members are held and invested in the name of the trust for the benefit of each member. Each member’s funds are restricted for the payment of retirement benefits of that member’s employees. Trust funds are not subject to the claims of general creditors of Alcoa City Schools. The trust is authorized to make investments as directed by the TCRS Board of Trustees. The Alcoa City Schools may not impose any restrictions on investments placed by the trust on their behalf.

Employees’ Retirement System of the City of Alcoa (the “System”) - The System is included in the City’s consolidated annual financial report as a pension trust fund, which is a fiduciary fund of the City.

Investment Balances - The Stabilization Reserve Trust and the assets of the System, are invested in the Tennessee Retiree Group Trust (TRGT). The TRGT is not registered with the Securities and Exchange Commission (SEC) as an investment company. The State of Tennessee has not obtained a credit quality rating for the TRGT from a nationally recognized credit ratings agency. The fair value of investment positions in the TRGT is determined daily based on the fair value of the pool’s underlying portfolio. Furthermore, TCRS had not obtained or provided any legally binding guarantees to support the value of participant shares during the fiscal year. There are no restrictions on the sale or redemption of shares.

Investments are reported at fair value. Securities traded on a national exchange are valued at the last reported sales price. Investment income consists of realized and unrealized appreciation (depreciation) in the fair value of investments and interest and dividend income. Interest income is recognized when earned. Securities and securities transactions are recorded in the financial statements on a trade-date basis. The fair value of assets of the TRGT held at June 30, 2023, represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Assets held are categorized for fair value measurement within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation inputs used to measure the fair value of the asset and give the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

- Level 1: Unadjusted quoted prices for identical assets or liabilities in active markets that can be accessed at the measurement date.
- Level 2: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; assets or liabilities that have a bid-ask spread price in an inactive dealer market, brokered market and principal-to-principal market; and Level 1 assets or liabilities that are adjusted.
- Level 3: Valuations derived from valuation techniques in which significant inputs are unobservable.

NOTE 3 - DEPOSITS AND INVESTMENTS (Continued)

(C) INVESTMENTS - TCRS STABILIZATION TRUST / EMPLOYEE RETIREMENT SYSTEM OF THE CITY OF ALCOA (Continued)

Investments using the Net Asset Value (“NAV”) per share have no readily determinable fair value and have been determined using amortized cost which approximates fair value.

Where inputs used in the measurement of fair value fall into different levels of the hierarchy, fair value of the instrument in its entirety is categorized based on the lowest level input that is significant to the valuation. This assessment requires professional judgement and as such management of the TRGT developed a fair value committee that worked in conjunction with the plan’s custodian and investment professionals to make these valuations. All assets held were valued individually and aggregated into classes to be represented in the table below.

Short-term securities generally include investments in money market-type securities reported at cost plus accrued interest.

Equity and equity derivative securities classified in Level 1 are valued using last reported sales prices quoted in active markets that can be accessed at the measurement date. Equity and equity derivative securities classified in Level 2 are securities whose values are derived daily from associated traded securities. Equity securities classified in Level 3 are valued with last trade data having limited trading volume.

U.S. Treasury Bills, Bonds, Notes and Futures classified in Level 1 are valued using last reported sales prices quoted in active markets that can be accessed at the measurement date. Debt and debt derivative securities classified in Level 2 are valued using a bid-ask spread price from multiple independent brokers, dealers, or market principals, which are known to be actively involved in the market. Level 3 debt securities are valued using proprietary information, a single pricing source, or other unobservable inputs related to similar assets or liabilities.

Real estate investments classified in Level 3 are valued using the last valuations provided by external investment advisors or independent external appraisers. Generally, all direct real estate investments are appraised by a qualified independent appraiser(s) with the professional designation of Member of the Appraisal Institute (“MAI”), or its equivalent, every three (3) years beginning from the acquisition date of the property. The appraisals are performed using generally accepted valuation approaches applicable to the property type.

Investments in private mutual funds, traditional private equity funds, strategic lending funds and real estate funds that report using GAAP, the fair value, as well as the unfunded commitments, were determined using the prior quarter’s NAV, as reported by the fund managers, plus the current cash flows. These assets were then categorized by investment strategy. In instances where the fund investment reported using non-GAAP standards, the investment was valued using the same method, but was classified in Level 3.

At June 30, 2023, the Alcoa City Schools and the System had the following investments held by the trust on its behalf.

	Weighted Average Maturity (Days)	Maturities	Stabilization Reserve Trust Fair Value	System Fair Value	Total
Investments at Fair Value					
U.S. Equity	N/A	N/A	\$ 53,513	\$ 8,697,860	\$ 8,751,373

Risks and Uncertainties - The trust's investments include various types of investment funds, which in turn invest in any combination of stock, bonds and other investments exposed to various risks, such as interest rate, credit, and market risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported for trust investments.

Interest Rate Risk - Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Alcoa City Schools and the System do not have the ability to limit trust investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk - Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Alcoa City Schools and the System do not have the ability to limit the credit ratings of individual investments made by the trust.

Concentration of Credit Risk - Concentration of credit risk is the risk of loss attributed to the magnitude of the county's investment in a single issuer. Alcoa City Schools and the System places no limit on the amount the county may invest in one issuer.

Custodial Credit Risk - Custodial credit risk for investments is the risk that, in the event of a failure of the counterparty to a transaction, the Alcoa City Schools and the System will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Pursuant to the trust agreement, investments are held in the name of the trust for the benefit of the Alcoa City Schools and the System to pay retirement benefits of the employees.

For further information concerning the investments with TCRS, audited financial statements of the Tennessee Consolidated Retirement System may be obtained at:

https://treasury.tn.gov/Portals/0/Documents/Retirement/CAFR%20Reports/2022/2022TCRSReport_Full%20Report.pdf

NOTE 4 - PROPERTY TAX

The City's property tax is levied each September 1st on the assessed value as listed by the County Assessor and is payable by each October 1st. Property taxes are delinquent after October 1st and are recorded as such on June 30th. The assessed values are established by the County Assessment Board. The City's tax rate for the year ended June 30, 2023 was \$2.27 per \$100 of assessed value.

Property taxes levied for 2022 and prior years, but uncollected as of June 30, 2023, are recorded as receivables, net of estimated amounts uncollectible based upon collections in prior years. The Allowance for Uncollectible Property Taxes as of June 30, 2023 is \$56,618. The taxes collected during the fiscal year ended June 30, 2023, and those taxes expected to be collected in the subsequent sixty (60) days, are recognized as revenues in the fiscal year ended June 30, 2023. The remainder of net property taxes receivable are recorded as deferred revenue.

Property taxes levied for the fiscal year ending June 30, 2023 are recorded as receivables and deferred revenue.

NOTE 5 - INTERFUND BALANCES AND TRANSFERS

As of June 30, 2023, interfund receivables and payables were as follows:

	<u>Due From Other Funds</u>	<u>Due to Other Funds</u>	<u>Total Balances</u>
Governmental Activities			
General Fund	\$ 23,471	\$ 0	\$ 23,471
Total Governmental Activities	<u>\$ 23,471</u>	<u>\$ 0</u>	<u>\$ 23,471</u>
Business-Type Activities			
Water and Sewer Utility	\$ 124,721	\$ 0	\$ 124,721
Electric Utility	0	(150,866)	(150,866)
Landfill	<u>2,674</u>	<u>0</u>	<u>2,674</u>
Total Business-Type Activities	<u>\$ 127,395</u>	<u>\$ (150,866)</u>	<u>\$ (23,471)</u>

The above balances resulted from the time lag between the dates that interfund goods and services are provided or reimbursable expenditures occur and payments between funds are made.

Transfers during the year are as follows:

<u>Transfers From:</u>	<u>Transfers to:</u>				
	<u>General Fund</u>	<u>Debt Service Fund</u>	<u>Education Fund</u>	<u>Nonmajor Governmental Funds</u>	<u>Total</u>
General Fund	\$ 0	\$ 6,156,990	\$ 500,000	\$ 446,510	\$ 7,103,500
Education Fund	0	0	0	50,000	50,000
Water & Sewer Utility Fund	400,000	0	0	0	400,000
Electric Utility Fund	<u>1,234,663</u>	<u>0</u>	<u>0</u>	<u>0</u>	<u>1,234,663</u>
Total	<u>\$ 1,634,663</u>	<u>\$ 6,156,990</u>	<u>\$ 500,000</u>	<u>\$ 496,510</u>	<u>\$ 8,788,163</u>

The transfers from the General Fund are to fund the operating activities of the receiving fund. Transfers to the nonmajor funds include \$356,510 from the General Fund to the Equipment Replacement Fund for capital asset purchases and \$90,000 to the ADA Improvement Fund to provide funding for future ADA improvements. Transfers to the nonmajor fund of \$50,000 from the Education Fund to the Internal School Fund for school improvements. The transfers from the Electric Utility Fund and Water and Sewer Utility Fund are transfers in lieu of payment of taxes.

NOTE 6 - CAPITAL ASSETS

A summary of capital asset activity, for the government-wide financial statements, for the fiscal year ended June 30, 2023 is as follows:

	Balance July 1, 2022	Increases	Decreases	Balance June 30, 2023

General Government	\$ 1,276,807
Public Safety	951,255
Public Works	1,743,615
Education	1,446,919
	<u>\$ 5,418,596</u>

NOTE 7 - DEBT AND LONG-TERM LIABILITIES**(A) BONDS AND NOTES PAYABLE**

General Obligation Bonds - The City issues general obligation bonds to provide for the acquisition and construction of major roads, capital facilities and equipment. General obligation bonds have been issued for general government activities, business-type activities and to refund previously issued general obligation bonds. General obligation bonds outstanding at June 30, 2023 were as follows:

	<u>Governmental Activities</u>	<u>Business-Type Activities</u>	<u>Total</u>
\$77,370,000 - 2008 Local Government Improvement Bonds, Series E-5-B - due in annual installments of \$100,000 to \$2,090,000 through June 2036, variable interest 4.00% to 5.00%.	\$ 6,370,000	\$ 35,375,000	\$ 41,745,000
\$9,625,000 - 2016A General Obligation Bonds - due in annual installments of \$65,000 to \$975,000 through June 2036, variable interest 2.00% to 3.00%.	3,170,000	4,980,000	8,150,000
\$9,995,000 - 2017 General Obligation Bonds - due in annual installments of \$460,000 to \$685,000 through June 2037, variable interest 2.00% to 3.00%.	8,100,000	0	8,100,000
\$9,975,000 - 2018 General Obligation Bonds - due in annual installments of \$255,000 to \$380,000 through May 2048, variable interest 3.50% to 5.00%.	6,585,000	1,690,000	8,275,000
\$28,300,000 - 2020 General Obligation Refunding Bonds - due in annual installments of \$355,000 to \$1,630,000 through June 2043, variable interest 3.00% to 5.00%.	24,725,000	1,900,000	26,625,000
\$6,200,000 - 2020B General Obligation Refunding Bonds - due in annual installments of \$265,000 to \$275,000 through June 2045, variable interest 2.00% to 3.00%.	0	5,930,000	5,930,000
\$4,815,000 - 2020C General Obligation Bonds (Taxable) - due in annual installments of \$325,000 to \$500,000 through June 2034, variable interest 0.30% to 1.85%.	0	3,615,000	3,615,000
\$9,460,000 - 2021A General Obligation Bonds - due in annual installments of \$110,000 to \$555,000 through March 2050, variable interest 2.00% to 4.00%.	6,305,000	3,155,000	9,460,000
\$5,550,000 - 2021B General Obligation Refunding Bonds (Taxable) - due in annual installments of \$770,000 to \$1,200,000 through March 2050, variable interest 0.15% to 0.82%.	2,395,000	1,200,000	3,595,000
\$22,900,000 - 2022A General Obligation Bonds - due in annual installments of \$90,000 to \$1,085,000 through June 2052, variable interest 3.00% to 5.00%.	19,240,000	3,570,000	22,810,000
\$8,475,000 - 2022B General Obligation Refunding Bonds - due in annual installments of \$255,000 to \$505,000 through June 2045, variable interest 3.00% to 4.00%.	<u>8,195,000</u>	<u>0</u>	<u>8,195,000</u>
Total General Obligation Bonds	<u>\$ 85,085,000</u>	<u>\$ 61,415,000</u>	<u>\$ 146,500,000</u>

The various bond indentures contain significant limitations and restrictions on annual debt service requirements. The City is in compliance with all significant limitations and restrictions. Premiums related to issuance of bonds are being amortized over the life of the bonds.

NOTE 7 - DEBT AND LONG-TERM LIABILITIES (Continued)

(A) BONDS AND NOTES PAYABLE (Continued)

The following is a summary of debt transactions of the City for the fiscal year ended June 30, 2023:

	Debt Payable July 1, 2022	Debt Issued	Debt Retired	Debt Refunded	Debt Payable June 30, 2023
General Obligation Bonds	\$ <u>153,080,000</u>	\$ <u>0</u>	\$ <u>6,580,000</u>	\$ <u>0</u>	\$ <u>146,500,000</u>

The following is a summary of the City's debt service requirements in five-year increments:

Fiscal Years Ending June 30,	Governmental Activities		Business-Type Activities		Total	
	Principal	Interest	Principal	Interest	Principal	Interest
2024	\$ 3,910,000	\$ 2,765,829	\$ 3,670,000	\$ 2,449,888	\$ 7,580,000	\$ 5,215,717

NOTE 7 - DEBT AND LONG-TERM LIABILITIES (Continued)

(B) LEASE OBLIGATIONS

Civic Arts Center

On May 2, 2006, the City Commission adopted a resolution authorizing the execution of an agreement with respect to a Civic Arts Center to be constructed on the campus of Maryville College; approving the issuance of bonds in an amount not to exceed \$33,685,000 by the Industrial Development Board of Blount County to finance the Civic Arts Centers; consenting to the assignment of the City's obligation under the lease agreement; and such other matters with respect to the Civic Arts Center. The lease obligates the City to pay annually an amount not to exceed 28.57% of the rental payments due, which shall be equal to a percentage of the principal and interest on the bonds.

Communications Equipment

In 2023, the City entered into an agreement with Blount County, Tennessee to acquire emergency communication equipment with Blount County being the lessor. The City's pro rata share of the cost was \$1,149,908 and the City is required to make annual payments of \$121,381 including interest at 1.20% for 10 years.

Other Lease Obligations

From time to time the City enters into smaller lease agreements during the normal course of its operations. As of June 30, 2023, these additional leases account for \$609,126 of the total lease amount.

Changes in lease obligations for the year end June 30, 2023 were:

	Balance July 1, 2022	Issued	Payments	Balance June 30, 2023
Civic Center	\$ 6,190,000	\$ 0	\$ 325,000	\$ 5,865,000
Communications Equipment	1,028,648	0	108,008	920,640
Novatech Copiers	121,756	0	26,945	94,811
Tasers	258,012	0	61,634	196,378
Body Cameras	229,358	0	43,165	186,193
Canon Copiers	35,583	0	8,068	27,515
Total	<u>\$ 7,863,357</u>	<u>\$ 0</u>	<u>\$ 572,820</u>	<u>\$ 7,290,537</u>

The following is a summary of the City's payments of lease obligations in five-year increments:

Fiscal Years Ending June 30,	Governmental Activities	
	Principal	Interest
2024	\$ 594,396	\$ 289,632
2025	620,102	268,625
2026	640,957	246,569
2027	563,782	224,927
2028	525,725	203,656
2029 - 2033	2,690,575	705,618
2034 - 2036	1,655,000	150,300
Totals	<u>\$ 7,290,537</u>	<u>\$ 2,089,327</u>

NOTE 7 - DEBT AND LONG-TERM LIABILITIES (Continued)

(C) TOTAL LONG-TERM LIABILITIES

The following is a summary of changes in long-term liabilities for the fiscal year ended June 30, 2023:

	Balance July 1, 2022	Additions	Reductions	Balance June 30, 2023	Due Within One Year
Governmental Activities					
Debt Payable:

NOTE 8 - EMPLOYEE RETIREMENT PLANS

Employees of the City and its School System participate in the following retirement systems:

- a. Employees' Retirement System of the City of Alcoa
- b. Public Employee Retirement Plan (Legacy)
- c. Public Employee Retirement Plan (Hybrid Without Cost Controls)
- d. Teacher Legacy Plan
- e. Teacher Retirement Plan
- f. Deferred Compensation Plan

The following information is provided to support the balances as of June 30, 2023 in the total column on the Statement of Net Position on pages 1 and 2 of the financial statements.

	Employees' Retirement System of the City of Alcoa	Public Employee Retirement Plan (Legacy)	Public Employee Retirement Plan (Hybrid Without Cost Controls)	Teacher Legacy Plan	Teacher Retirement Plan	All Plans
Net Pension Asset	\$ 0	\$ 0	\$ 0	\$ 3,784,395	\$ 39,931	\$ 3,824,326
Net Pension Liability	\$ 8,883,347	\$ 3,476,724	\$ 326,234	\$ 0	\$ 0	\$ 12,686,305
Pension Deferred Outflow s	\$ 1,477,815	\$ 7,620,755	\$ 1,118,365	\$ 3,968,967	\$ 121,328	\$ 14,307,230
Pension Deferred Inflow s	\$ 0	\$ 415,571	\$ 0	\$ 674,284	\$ 52,143	\$ 1,141,998
Pension Expense (Negative Expense)	\$ (985,549)	\$ (144,187)	\$ (193,574)	\$ (860,288)	\$ (40,664)	\$ (2,224,262)

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(A) EMPLOYEES' RETIREMENT SYSTEM OF THE CITY OF ALCOA

General Information

Plan Description - The City's single-employer defined benefit plan, the Employees' Retirement System of the City of Alcoa (the "System"), provides pension benefits to City employees. All full-time employees that are employed at least 30 hours per week shall become members of the System on the first day of the calendar month coincident with or next following the date of employment. Certain department heads may elect not to become members of the System. Each employee shall be classified as a general employee, fireman, policeman or lineman. The funds of the retirement system are invested in a trust fund managed and custodied by the Tennessee Consolidated Retirement System. The System's complete financial statements are included in the City of Alcoa's consolidated annual financial report.

Benefits Provided - The System provides benefits as follows:

	Condition/Benefit
Retirement Dates:	
Normal Retirement Date	Age 55 with 25 years of service, or age 65 with 5 years of service.
Early Retirement Date	Age 55 with 15 years of service.
Retirement Income:	
Normal Retirement or After	Average annual salary times 1.40% per year of service, plus excess average annual salary times 0.316% per year of service up to 35. If a member's normal retirement benefit payments commence before age 62, then the member will receive a temporary supplemental equal to the member's projected social security benefit, payable until age 62.
Early Retirement	A benefit deferred to normal retirement age, calculated as above, or an immediate benefit actuarially reduced.
Disability	A benefit deferred to normal retirement age, calculated as above, but with service credited to the normal retirement age. Available for total and permanent disability after 5 years of service.
Other Termination	A benefit deferred to normal retirement age, calculated as above. Available after 5 years of service.
Normal Form of Payment	Single life annuity, starting after the payment of three months of severance payments for retirement eligible members.
Optional Payment Forms	Life income with guaranteed payments (5, 10 or 15 years). Joint and survivor with 50%, 75% or 100% to the survivor.
Death Benefit:	
Pre-retirement	If a participant dies before retirement, but after 5 years of service, a monthly death benefit equal to 50% of the benefit earned by the member is payable for the life of the surviving spouse, or for a 5-year period if there is not a surviving spouse. The death benefit starts at the member's earliest retirement age.

Employees Covered by Benefit Terms - At the measurement date of June 30, 2022, the following City employees were covered by the System:

Inactive Employees or Beneficiaries Currently Receiving Benefits	172
Inactive Employees Entitled to, but not yet Receiving Benefits	9
Active Employees Entitled to, but not yet Receiving Benefits	24
Total	205

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(A) EMPLOYEES' RETIREMENT SYSTEM OF THE CITY OF ALCOA (Continued)

General Information (Continued)

The System was closed to new entrants effective May 18, 2000.

Contributions - The City makes employer contributions based on an actuarially determined rate recommended by an independent actuary. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability for past service costs. The System is noncontributory, and no contributions are required by members of the system. For the year ended June 30, 2023, the employer contributions for the City to the System were \$1,448,328 based on a rate of 66.54% of covered payroll.

Net Pension Liability

Pension Liability - The City's net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by actuarial valuation as of July 1, 2022.

Actuarial Assumptions - The total pension liability as of the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all period included in the measurement:

Actuarial Cost Method:	Entry Age Normal (level percentage of pay).
Mortality Rates:	110% of the SOA PubG-2010 Mortality Tables, with current and future mortality improvement estimated by projecting improvement using Scale MP-2021.
Salary Scale:	4.0% Annual increase to normal retirement, with adjustment for longevity and sick pay.
Social Security Scale:	4.0% Annual increase to wage base and cost of living escalation.
Discount Rate:	7.25% per Annum.
Marriage Assumption:	85% of Participants are Assumed to be married with husbands assumed to be 4 years older than wives.
Other Assumptions:	Credited service adjusted to reflect accumulated sick leave.
Asset Valuation Method:	Five-year smoothing of difference between market value and expected market assets.

The funds of the System are invested in the Tennessee Retiree Group Trust (the "TRGT"). The TCRS and State Treasurer serve as custodians of the TRGT and are responsible for managing and directing the investments of the TRGT. See summary information below for the long-term expected rate of return and target allocations of the TCRS for the TRGT.

Rates of Return (Loss) - The annual money-weighted rate of return (loss) on the Plan's investments, net of investment expenses, for the fiscal year 2023 was 6.6%.

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(A) EMPLOYEES' RETIREMENT SYSTEM OF THE CITY OF ALCOA (Continued)

Changes in Net Pension Liability

The changes in net pension liability are shown below:

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a) - (b)
<u>Balances at June 30, 2021</u>	\$ 37,166,900	\$ 30,791,197	\$ 6,375,703
Changes for the Year:			
Service Cost	152,232	0	152,232
Interest	2,594,343	0	2,594,343
Difference between Expected and Actual Experience	173,123	0	173,123
Changes of Assumptions	(75,449)	0	(75,449)
Contributions - Employer	0	1,448,328	(1,448,328)
Net Investment Income	0	(1,091,538)	1,091,538
Benefit Payments - Including Refunds of Employee Contributions	(3,070,187)	(3,070,187)	0
Administrative Expenses	0	(20,185)	20,185
Net Changes	<u>(225,938)</u>	<u>(2,733,582)</u>	<u>2,507,644</u>
<u>Balances at June 30, 2022</u>	<u>\$ 36,940,962</u>	<u>\$ 28,057,615</u>	<u>\$ 8,883,347</u>

The components of the net pension liability at June 30, 2022 were as follows:

Total Pension Liability (7.25%)	\$ 36,940,960
Plan Fiduciary Net Position	<u>(28,057,613)</u>
Net Pension Liability	<u>\$ 8,883,347</u>
Plan Fiduciary Net Position as a % of Total Pension Liability	75.95%

Sensitivity of the Net Pension Liability to Changes in the Discount Rate - The following presents the net pension liability using the stated discount rate of 7.25%, as well as what the net position liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
Net Pension Liability (Asset) 2022	<u>\$ 12,301,908</u>	<u>\$ 8,883,347</u>	<u>\$ 5,937,595</u>

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(A) EMPLOYEES' RETIREMENT SYSTEM OF THE CITY OF ALCOA (Continued)

Pension Expense and Deferred Outflows/Inflows of Resources Related to the System

For the fiscal year ended June 30, 2023, the City recognized pension expense (negative pension expense) of (\$985,549). At June 30, 2023, the City reported deferred outflows of resources and deferred inflow of resources related to the System from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	\$ 29,487	\$ 0
Contributions Subsequent to the Measurement Date of June 30, 2022	<u>1,448,328</u>	<u>0</u>
Total	<u>\$ 1,477,815</u>	<u>\$ 0</u>

The amount shown above for "Contributions subsequent to the measurement date of June 30, 2022" will be recognized as a reduction to net pension liability in the following measurement period.

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

For the Years ended June 30,

2024	\$ (173,680)
2025	(166,166)
2026	(283,543)
2027	652,876

(B) PLANS ADMINISTERED BY THE TENNESSEE CONSOLIDATED RETIREMENT SYSTEM (TCRS)

The Public Employee Retirement Plan (Legacy), Public Employee Retirement Plan (Hybrid Without Cost Controls), Teacher Legacy Plan and Teacher Retirement plan are defined benefits plans administered by the Tennessee Consolidated Retirement System (TCRS). The TCRS was created by state statute under Tennessee Code Annotated Title 8, Chapters 34 – 37. The TCRS Board of Trustees is responsible for the proper operation and administration of the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publicly available financial report that can be obtained at <https://treasury.tn.gov/Retirement/Boards-and-Governance/Reporting-and-investment-Policies>.

The following information applies to all four retirement plans administered by the TCRS and is provided here so it is not repeated in the descriptions of each of these plans.

Contributions - TCRS

Contributions for employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. By law, employer contributions are required to be paid. The TCRS may intercept the City's state shared taxes if required employer contributions are not remitted. The employer's actuarially determined contribution (ADC) and member contributions are expected to finance the cost of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(B) PLANS ADMINISTERED BY THE TENNESSEE CONSOLIDATED RETIREMENT SYSTEM (TCRS) (Continued)

Net Pension Liability (Asset) - TCRS

Net Pension Liability (Asset) - The net pension liability (asset) for each plan was measured as of June 30, 2022, and the total pension liability used to calculate net pension liability (asset) was determined by an actuarial valuation as of that date.

Actuarial Assumptions - The actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.25%
Salary Increases	Graded salary ranges from 8.72% to 3.44% based on age, including inflation, averaging 4.0%
Investment Rate of Return	6.75%, net of pension plan investment expenses, including inflation
Cost of Living Adjustment	2.125%

Mortality rates were based on actual experience including an adjustment for some anticipated improvements.

The actuarial assumptions used in the June 30, 2022 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2016 through June 30, 2020. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2020 actuarial experience study. A blend of future capital market projections and historical market returns was used in a building-block method in which a best-estimate of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) is developed for each major asset class. These best-estimates are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation of 2.25%. The best-estimates of geometric real rates of return and the TCRS investment policy target asset allocation for each major asset class are summarized in the following table:

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. Equity	4.88%	31%
Developed Market International Equity	5.37%	14%
Emerging Markets International Equity	6.09%	4%
Private Equity and Strategic Lending	6.57%	20%
U.S. Fixed Income	1.20%	20%
Real Estate	4.38%	10%
Short-Term Securities	0.00%	1%
Total		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 6.75% based in a blending of the three factors described above.

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(B) PLANS ADMINISTERED BY THE TENNESSEE CONSOLIDATED RETIREMENT SYSTEM (TCRS) (Continued)

Net Pension Liability (Asset) - TCRS (Continued)

Discount Rate - The discount rate used to measure the total pension liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from Alcoa will be made at the actuarially determined contribution rate pursuant to an actuarial valuation in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

(C) PUBLIC EMPLOYEE RETIREMENT PLAN - LEGACY

General Information about the Pension Plan

Plan Description - Employees of City are provided a defined benefit pension plan through the Public Employee Retirement Plan, an agent multiple-employer pension plan administered by the TCRS.

Benefits Provided - Tennessee Code Annotated Title 8, Chapters 34 – 37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. The chief legislative body may adopt the benefit terms permitted by statute. Members are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined by a formula using the member's highest five consecutive year average compensation and the member's years of service credit. Reduced benefits for early retirement are available at age 55 and vested. Members vest with five years of service credit. Service-related disability benefits are provided regardless of length of service. Five years of service is required for nonservice-related disability eligibility. The service-related and nonservice-related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10% and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3%, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A 1% COLA is granted if the CPI change is between one-half percent and 1%. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Employees Covered by the Benefit Terms - At the measurement date of June 30, 2022, the following employees were covered by the benefit terms:

Inactive Employees or Beneficiaries Currently Receiving Benefits	103
Inactive Employees Entitled to, but not yet Receiving Benefits	90
Active Employees	168
Total	361

The plan is closed to new entrants hired after July 1, 2014.

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(C) PUBLIC EMPLOYEE RETIREMENT PLAN - LEGACY (Continued)

General Information about the Pension Plan (Continued)

Contributions - Contributions for employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. The City has adopted a noncontributory plan. The City makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. For the year ended June 30, 2023, employer contributions for the City were \$1,832,731 based on a rate of 15.87% of covered payroll. By law, employer contributions are required to be paid. The TCRS may intercept the City's state shared taxes if required employer contributions are not remitted. The employer's actuarially determined contribution (ADC) and member contributions are expected to finance the cost of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Sensitivity of the Net Pension Liability (Asset) to Changes in the Discount Rate - The following presents the net pension liability (asset) of the City calculated using the discount rate of 6.75%, as well as what the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (5.75%) or 1-percentage-point higher (7.75%) than the current rate:

	1% Decrease (5.75%)	Current Discount Rate (6.75%)	1% Increase (7.75%)
Net Pension Liability (Asset) 2022	<u>\$ 12,676,131</u>	<u>\$ 3,476,724</u>	<u>\$ (4,127,678)</u>

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(C) PUBLIC EMPLOYEE RETIREMENT PLAN - LEGACY (Continued)

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension Expense (Negative Pension Expense) - For the year ended June 30, 2023, the City recognized pension expense (negative pension expense) of (\$144,187).

Deferred Outflows of Resources and Deferred Inflows of Resources. For the year ended June 30, 2023, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Experience	\$ 3,249,677	\$ 415,571
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	177,979	0
Changes of Assumptions	2,360,368	0
Contributions Subsequent to the Measurement Date of June 30, 2022	<u>1,832,731</u>	<u>0</u>
Total	<u>\$ 7,620,755</u>	<u>\$ 415,571</u>

The amount shown above for “Contributions subsequent to the measurement date of June 30, 2022,” will be recognized as a reduction (increase) to net pension liability (asset) in the following measurement period.

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

<u>For the Years ended June 30,</u>	
2024	\$ 1,043,630
2025	1,024,697
2026	497,182
2027	2,287,420
2028	519,515

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

Payable to the Pension Plan

The City reported no outstanding amount of contributions to the pension plan, including employee contributions, required at the year ended June 30, 2023.

(D) PUBLIC EMPLOYEE RETIREMENT PLAN (HYBRID WITHOUT COST CONTROLS)

Plan Description - Employees of City are provided a defined benefit pension plan through the Public Employee Retirement Plan (Hybrid Without Cost Controls), an agent multiple-employer pension plan administered by the TCRS.

Benefits Provided - Tennessee Code Annotated, Title 8, Chapters 34-37, establishes the benefit terms and can be amended only by the Tennessee General Assembly. The chief legislative body may adopt the benefit terms permitted by statute. Members are eligible to retire with an unreduced benefit at age 65 with 5 years of service credit or pursuant to the rule of 90 in which the member’s age and service credit total 90. Benefits are determined by a formula using the member’s highest five consecutive year average compensation and the member’s years of service credit. Reduced benefits for early retirement are available at age 60 and vested or pursuant to the rule of 80 in which the member’s age and service credit total 80. Members vest with five years of service credit. Service-related disability benefits are provided regardless of length of service. Five years of service is required for non-service-related disability eligibility. The service related and non-service-related disability benefits are determined in the same manner as a retirement benefit but are reduced 10% and include projected service credits. A variety of death benefits are available under various eligibility criteria.

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(D) PUBLIC EMPLOYEE RETIREMENT PLAN (HYBRID WITHOUT COST CONTROLS) (Continued)

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3%, and applied to the current benefits. No COLA is granted if the change in the CPI is less than one-half percent. A 1% COLA is granted if the CPI change is between one-half percent and 1%. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Employees Covered by Benefit Terms - At the measurement date of June 30, 2022, the following employees were covered by the benefit terms:

Inactive Employees or Beneficiaries Currently Receiving Benefits	0
Inactive Employees Entitled to, but not yet Receiving Benefits	18
Active Employees	164
Total	182

Contributions - Contributions for employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. The City has adopted a noncontributory plan. The City makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. For the year ended June 30, 2023, the employer contributions for the City were \$591,676 based on a rate of 6.38% of covered payroll. By law, employer contributions are required to be paid. The TCRS may intercept the City's state shared taxes if required employer contributions are not remitted. The employer's ADC and member contributions are expected to finance the cost of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Net Pension Liability (Asset) (Continued)

Sensitivity of the Net Pension Liability (Asset) to Changes in the Discount Rate - The following presents the net pension liability (asset) of the City, calculated using the discount rate of 6.75%, as well as what the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (5.75%) or 1-percentage-point higher (7.75%) than the current rate:

	<u>1% Decrease (5.75%)</u>	<u>Current Discount Rate (6.75%)</u>	<u>1% Increase (7.75%)</u>
Net Pension Liability (Asset) 2022	\$ 908,851	\$ 326,234	\$ (114,249)

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension Expense - For the year ended June 30, 2023, the City recognized pension expense of \$193,574.

Deferred Outflows of Resources and Deferred Inflows of Resources - For the year ended June 30, 2023, the City reported deferred outflows of resources and deferred inflows of resources relate to pensions from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Experience	\$ 369,341	\$ 0
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	30,626	0
Changes of Assumptions	126,722	0
Contributions Subsequent to the Measurement Date of June 30, 2022	<u>591,676</u>	<u>0</u>
Total	<u>\$ 1,118,365</u>	<u>\$ 0</u>

The amount shown above for "Contributions subsequent to the measurement date of June 30, 2022," will be recognized as a reduction (increase) to net pension liability (asset) in the following measurement period.

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

<u>For the Years ended June 30,</u>	
2023	\$ 49,327
2024	49,501
2025	46,236
2026	83,896
2027	49,558
Thereafter	248,171

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

Payable to the Pension Plan

At June 30, 2023, the City reported no payables outstanding to the pension plan.

NOTE 8 - EMPLOYEE RETIREMENT PLANS (Continued)

(D) PUBLIC EMPLOYEE RETIREMENT PLAN (HYBRID WITHOUT COST CONTROLS) (Continued)

Defined Contribution Plan

The City has adopted the State of Tennessee's defined contribution retirement plan for employees as a component of the Public Employee Retirement Plan (Hybrid Plan Without Cost Controls) for employees hired on or after July 1, 2014.

The City has elected to contribute 5% of each eligible participant's compensation per year. The City contributed \$591,676 to the plan during 2023 which represents 5% of covered payroll. Covered payroll for the City for the year ended June 30, 2023 was \$9,276,176.

(E) TEACHER LEGACY PLAN

General Information about the Pension Plan

Plan Description - Teachers employed by the Alcoa City Schools with membership in the Tennessee Consolidated Retirement System (TCRS) before July 1, 2014 are provided with pensions through the Teacher Legacy Pension Plan, a cost sharing multiple-employer pension plan administered by the TCRS. The Teacher Legacy Pension Plan closed to new membership on June 30, 2014, but will continue providing benefits to existing members and retirees. Beginning July 1, 2014, the Teacher Retirement Plan became effective for teachers employed by Local Education Agencies (LEAs) after June 30, 2014. The Teacher Retirement Plan is a separate cost-sharing, multiple-employer defined benefit plan.

Benefits Provided - Tennessee Code Annotated Title 8, Chapters 34-37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the Teacher Legacy Pension Plan are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined by a formula using the member's highest five consecutive year average compensation and the member's years of service credit. A reduced early retirement benefit is available at age 55 and vested. Members are vested with five years of service credit. Service-related disability benefits are provided regardless of length of service. Five years of service is required for nonservice-related disability eligibility. The service related and nonservice-related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10% and include projected service credits. A variety of death benefits are available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3%, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A 1% COLA is granted if the CPI change is between one-half percent and 1%. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Contributions - Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Teachers contribute 5% of salary. The LEAs make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. By law, employer contributions for the Teacher Legacy Pension Plan are required to be paid. The TCRS may intercept the state shared taxes of the sponsoring governmental entity of the LEA if the required employer contributions are not remitted. Employer contributions by Alcoa City Schools for the year ended June 30, 2023 to the Teacher Legacy Pension Plan were \$884,371 which is 8.69% of covered payroll. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension Liabilities (Assets) - At June 30, 2023, the Alcoa City Schools reported a liability (asset) of \$(3,784,395) for its proportionate share of net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability (asset) was determined by an actuarial valuation as of that date. Alcoa City Schools' proportion of the net pension liability (asset) was based on Alcoa City Schools' share of contributions to the pension plan relative to the contributions of all participating LEAs. At the measurement date of June 30, 2022, Alcoa City Schools' proportion was 0.308576%. The proportion measured as of June 30, 2021 was 0.310688%.

Pension Expense (Negative Pension Expense) - For the year ended June 30, 2023, Alcoa City Schools recognized pension expense (negative pension expense) of \$(860,288).

NOTE 8 - EMPLOYEES' RETIREMENT PLANS (Continued)

(E) TEACHER LEGACY PLAN (Continued)

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Continued)

Deferred Outflows of Resources and Deferred Inflows of Resources - For the year ended June 30, 2023, Alcoa City Schools reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources shown below:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Experience	\$ 622,519	\$ 639,448
Changes of Assumptions	2,370,741	0
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	64,711	0
Changes in Proportion of Net Pension Liability (Asset)	26,625	34,836
LEAs Contributions Subsequent to the Measurement Date of June 30, 2022	<u>884,371</u>	<u>0</u>
Total	<u>\$ 3,968,967</u>	<u>\$ 674,284</u>

Alcoa City Schools' employer contributions of \$884,371 reported as pension related deferred outflows of resources, subsequent to the measurement date, will be recognized as a reduction (increase) in net pension liability (asset) in the year ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

For the Years ended June 30,

2024	\$ 360,597
2025	702,983
2026	(650,668)
2027	1,997,400

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

Sensitivity of the Net Pension Liability (Asset) to Changes in the Discount Rate - The following presents Alcoa City Schools' proportionate share of the net pension liability (asset) calculated using the discount rate of 6.75%, as well as what Alcoa City Schools' proportionate share of the net pension liability (asset) would be if we were calculated using a discount rate that is 1-percentage-point lower (5.75%) or 1-percentage-point higher (7.75%) than the current rate:

	<u>1% Decrease (5.75%)</u>	<u>Current Discount Rate (6.75%)</u>	<u>1% Increase (7.75%)</u>
Alcoa City Schools' Proportionate Share of the Net Pension Liability (Asset)	\$ <u>7,495,583</u>	\$ <u>(3,784,395)</u>	\$ <u>(13,179,868)</u>

Pension Plan Fiduciary Net Position. Detailed information about the pension plan's fiduciary net position is available in a separately issued TCRS financial report.

Payable to the Pension Plan

At June 30, 2023, Alcoa City Schools' reported no payables for the outstanding amount of contributions to the pension plan, including employee contributions, required at the year ended June 30, 2023.

NOTE 8 - EMPLOYEES' RETIREMENT PLANS (Continued)

(F) TEACHER RETIREMENT PLAN

General Information about the Pension Plan

Plan Description - Beginning July 1, 2014, the Teacher Retirement Plan became effective for teachers employed by LEAs after June 30, 2014. The Teacher Retirement Plan is a separate cost-sharing, multiple-employer defined benefit plan.

Benefits Provided - Tennessee Code Annotated Title 8, Chapters 34-37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. Members of the Teacher Retirement Plan are eligible to retire at age 65 with 5 years of service credit or pursuant to the rule of 90 in which the member's age and service credit total 90. Benefits are determined by a formula using the member's highest five consecutive year average compensation and the member's years of service credit. A reduced early retirement benefit is available at age 60 and vested or pursuant to the rule of 80. Members are vested with five years of service credit. Service-related disability benefits are provided regardless of length of service. Five years of service is required for nonservice-related disability eligibility. The service related and nonservice-related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10% and include projected service credits. A variety of death benefits are available under various eligibility criteria. Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3%, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A 1% COLA is granted if the CPI change is between one-half percent and 1%. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest. Under the Teacher Retirement Plan, benefit terms and conditions, including COLA, can be adjusted on a prospective basis. Moreover, there are defined cost controls and unfunded liability controls that provide for the adjustment of benefit terms and conditions on an automatic basis.

Contributions - Contributions for teachers are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Teachers contribute 5% of salary. The Local Education Agencies (LEAs) make employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. Per the statutory provisions governing the TCRS, the employer contribution rate cannot be less than 4%, except for in years when the maximum funded level, approved by the TCRS Board of Trustees, is reached. By law, employer contributions for the Teacher Retirement Plan are required to be paid. The TCRS may intercept the state shared taxes of the sponsoring governmental entity of the LEA if the required employer contributions are not remitted. Employer contributions for the year ended June 30, 2023 to the Teacher Retirement Plan were \$94,386, which is 4% of covered payroll. The employer rate, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

Pension Liabilities (Assets) - At June 30, 2023, Alcoa City Schools reported a liability (asset) of (\$39,931) for its proportionate share of the net pension liability (asset). The net pension liability (asset) was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability (asset) was determined by an actuarial value as of that date. Alcoa City Schools' proportion of the net pension asset was based on Alcoa City Schools' share of contributions to the pension plan relative to the contributions of all participating LEAs. At the measurement date of June 30, 2022, Alcoa City Schools' proportion was 0.131819%. The proportion measured as of June 30, 2021 was 0.099928%.

Pension Expense (Negative Pension Expense) - For the year ended June 30, 2023, Alcoa City Schools' recognized a pension expense (negative pension expense) of (\$40,664).

NOTE 8 - EMPLOYEES' RETIREMENT PLANS (Continued)

(F) TEACHER RETIREMENT PLAN (Continued)

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Continued)

Deferred Outflows of Resources and Deferred Inflows of Resources. For the year ended June 30, 2023, Alcoa City Schools' reported deferred outflows of resources related to pensions from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Experience	\$ 2,183	\$ 24,261
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	12,587	0
Changes of Assumptions	46,778	0
Changes in Proportion of Net Pension Liability (Asset)	2,556	27,882
LEAs Contributions Subsequent to the Measurement Date of June 30, 2022	<u>57,224</u>	<u>0</u>
Total	<u>\$ 121,328</u>	<u>\$ 52,143</u>

Alcoa City Schools employer contributions of \$57,224, reported as pension related deferred outflows of resources subsequent to the measurement date, will be recognized as an increase of net pension liability (asset) in the year ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

For the Years ended June 30,

2024	\$ (1,447)
2025	(1,319)
2026	(3,387)
2027	18,536
2028	(51)
Thereafter	(371)

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

Sensitivity of the Proportionate Share of Net Pension Liability (Asset) to Changes in the Discount Rate - The following presents Alcoa City Schools' proportionate share of the net pension liability (asset) calculated using the discount rate of 6.75%, as well as what Alcoa City Schools' proportionate share of the net pension liability (asset) would be if we were calculated using a discount rate that is 1-percentage-point lower (5.75%) or 1-percentage-point higher (7.75%) than the current rate:

	<u>1% Decrease (5.75%)</u>	<u>Current Discount Rate (6.75%)</u>	<u>1% Increase (7.75%)</u>
Alcoa City Schools' Proportionate Share of the Net Pension Liability (Asset)	<u>\$ 209,616</u>	<u>\$ (39,931)</u>	<u>\$ (222,178)</u>

Pension Plan Fiduciary Net Position - Detailed information about the pension plan's fiduciary net position is available in a separately issued TCRS financial report.

Payable to the Pension Plan

At June 30, 2023, Alcoa City Schools' reported no payable for the outstanding amount of contributions to the pension plan, including employee contributions, required at the year ended June 30, 2023.

NOTE 8 - EMPLOYEES' RETIREMENT PLANS (Continued)

(F) TEACHER RETIREMENT PLAN (Continued)

Defined Contribution Plan

Alcoa City Schools contributes to the Higher Education and Teacher Hybrid Plan, a defined contribution pension plan under section 401(k) of the Internal Revenue Code, for teachers with membership in the Tennessee Consolidated Retirement System after July 1, 2014. This plan is a component of the defined benefit plan reported above. Benefit terms, including contribution requirements, for the defined contribution plan are established by Tennessee Code Annotated Title 8, Chapters 34-37 and may be amended by the Tennessee General Assembly. For each employee in the pension plan, the Alcoa City Schools is required to contribute 5% of annual salary to an individual employee account. Employees have a 2% contribution, with an opt-out feature. For the year ended June 30, 2023, the Alcoa City Schools recognized pension expense of \$164,229. Employees are immediately vested on all contributions and earnings on those contributions. The Alcoa City Schools reported no payable for the outstanding amount of contributions to the pension plan required at the year ended June 30, 2023.

(G) DEFERRED COMPENSATION PLAN

The City offers its employees a deferred compensation plan known as the City of Alcoa Thrift Plan (the "Thrift Plan"). The Thrift Plan is available to all city employees and permits them to defer a portion of their salary until future years. Contributions to the plan are optional. The deferred compensation is not available to employees until termination, retirement, or death.

The Thrift Plan qualifies under Internal Revenue Section 457(g). The assets of the deferred compensation plan are held in trust (not available to the creditors of the City) and the City does not act as a fiduciary or administrator of the trust. The Thrift Plan administrator provides an annual valuation report to the City. The Thrift Plan assets totaled \$25,645,123 as of June 30, 2023.

NOTE 9 - POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)

In addition to the pension benefits described in Note 8, the City maintains separate OPEB plans for City Retirees and for School System Retirees. As of June 30, 2023, total plan balances presented in the statement of net position are as follows:

	<u>City</u>	<u>School System</u>	<u>All Plans</u>
Other Postemployment Benefit Liability	\$ 6,051,861	\$ 4,755,333	\$ 10,807,194
Other Postemployment Benefit Outflows	\$ 1,416,712	\$ 1,098,501	\$ 2,515,213
Other Postemployment Benefit Inflows	\$ 748,120	\$ 1,689,468	\$ 2,437,588
Other Postemployment Benefit Expense	\$ (23,974)	\$ (104,589)	\$ (128,563)

Governmental activities net OPEB liabilities are generally liquidated by the City OPEB Insurance Fund and Schools OPEB Insurance Fund.

(A) CITY

General Information About the OPEB Plan

Plan Description - The City provides post-retirement health care benefits (the "Plan") to certain retirees. The City will allow retirees and their spouse to participate in the City's health insurance plan provided the retiree pays the requisite premium. To participate, retirees must have reached the age of 55 with 25 years of service or age 62 with 15 years of service or be on disability retirement and must have health benefits coverage in the self-insured plan provided by the City. Employees must be hired prior to January 1, 2015 to participate in this plan. The retiree can remain on the City plan from age 55 through age 65 by paying half of the coverage premium to the City. The Plan is a single-employer plan.

Benefits Provided - The City's healthcare plan is insured by UMR. A premium is paid for medical coverage which is not age related. However, the underlying cost of the medical coverage does vary by age as medical costs tend to increase with age. As a result, older employees receive a more valuable benefit than younger employees. As the premium paid for retirees is the same as for active employees, a more valuable benefit is received by retirees as compared to younger, active employees. GASB 75 defines this benefit as an implicit rate subsidy, and it is to be valued under the standards.

NOTE 9 - POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (Continued)

(A) CITY (Continued)

General Information About the OPEB Plan (Continued)

Employees Covered by the Benefit Terms - At the measurement date of June 30, 2023, the following employees of the City were covered by the benefit terms of the Plan:

Inactive Employees or Beneficiaries Currently Receiving Benefits	72
Inactive Employees Entitled to, but not yet Receiving Benefits	0
Active Employees	279
Total	351

The contribution requirements are established and may be amended by the City. The Plan is currently being funded on a pay-as-you-go basis, whereby amounts paid to retirees and their matching payments are the only contributions. There are no assets accumulating in a trust that meets the criteria of paragraph 4 of GASB Statement No. 75. For the fiscal year ended June 30, 2023, the City paid \$618,254 to the Plan for OPEB benefits as they came due.

Total OPEB Liability

Actuarial Assumptions and Other Inputs - The total OPEB liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods in the measurement, unless otherwise specified:

Salary Increases	4.00%
Healthcare Cost Trend Rates	6.00% graded uniformly to 5.50% over 2 years and following the Getzen model thereafter.
Retiree's Share of Benefit-Related Costs	Members are required to make monthly contributions in order to maintain coverage.

Actuarial valuations of an ongoing plan involve estimates of value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial value of assets, consistent with the long-term perspective of the calculations.

The actuarial demographic assumptions used in the July 1, 2022 actuarial valuation were based on the results of past experience. The demographic assumptions were adjusted to more closely reflect actual and expected future experience. Mortality tables are used to measure the probabilities of participants dying before and after retirement. The mortality rates employed in this valuation are taken from the Group Annuity 1983 Mortality Table.

Discount Rate - The discount rate used to measure the total OPEB liability as of June 30, 2023 was 4.09%. This rate reflects the interest rate derived from yields on the S&P Municipal Bond Index prevailing on the measurement date.

NOTE 9 - POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (Continued)

(A) CITY (Continued)

Total OPEB Liability (Continued)

Changes in the Total OPEB Liability:

	<u>Total OPEB Liability</u>
<u>Balance at June 30, 2022</u>	<u>\$ 6,334,085</u>
Changes for the Year	
Service Cost	98,235
Interest	237,795
Experience Losses (Gains)	0
Changes in Assumptions	0
Benefits Payments	<u>(618,254)</u>
Net Changes	<u>(282,224)</u>
<u>Balance at June 30, 2023</u>	<u>\$ 6,051,861</u>

Sensitivity of Total OPEB Liability to Changes in the Discount Rate - The following presents the total OPEB liability related to the plan, as well as what the total OPEB liability would be if it were calculated using a discount rate that is 1 percentage-point lower (3.09%) or 1 percentage-point higher (5.09%) than the current discount rate:

	<u>1% Decrease (3.09%)</u>	<u>Current Discount Rate (4.09%)</u>	<u>1% Increase (5.09%)</u>
Total OPEB Liability	<u>\$ 6,455,583</u>	<u>\$ 6,051,861</u>	<u>\$ 5,677,251</u>

Sensitivity of Total OPEB Liability to Changes in the Healthcare Cost Trend Rate - The following presents the total OPEB liability related to the Plan, as well as what the total OPEB liability would be if it were calculated using a healthcare cost trend rate that is 1-percentage-point lower (4.50%) or 1-percentage-point higher (6.50%) than the current healthcare cost trend rate.

	<u>1% Decrease (4.50%)</u>	<u>Healthcare Cost Trend Rate (5.50%)</u>	<u>1% Increase (6.50%)</u>
Total OPEB Liability	<u>\$ 5,529,947</u>	<u>\$ 6,051,861</u>	<u>\$ 6,650,026</u>

NOTE 9 - POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (Continued)

(A) CITY (Continued)

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources to OPEB

OPEB Expense (Negative OPEB Expense) - For the fiscal year ended June 30, 2023, the City recognized OPEB expense (negative OPEB expense) of (\$23,974).

Deferred Outflows of Resources and Deferred Inflows of Resources - For the fiscal year ended June 30, 2023, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB benefits from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Experience Losses (Gains)	\$ 1,214,953	\$ 80,287
Change in Assumptions	<u>201,759</u>	<u>667,833</u>
Totals as of June 30, 2023	<u>\$ 1,416,712</u>	<u>\$ 748,120</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in OPEB expense as follows:

For the Years ended June 30:

2024	\$ 258,251
2025	136,779
2026	136,779
2027	<u>136,783</u>
Total	<u>\$ 668,592</u>

In the table above, positive amounts will increase OPEB expense while negative amounts will decrease OPEB expense.

(B) SCHOOL SYSTEM

General Information About the OPEB Plan

Plan Description – Employees of Alcoa City Schools who were hired prior to July 1, 2015, are provided with pre-65 retiree health insurance benefits through the closed Teacher Group OPEB Plan (TGOP) administered by the Tennessee Department of Finance and Administration. This plan is considered to be a multiple-employer defined benefit plan that is used to provide postemployment benefits other than pensions (OPEB). However, for accounting purposes, this plan will be treated as a single-employer plan. All eligible pre-65 retired teachers, support staff, and disability participants of local education agencies, who choose coverage, participate in the TGOP. This plan is closed to the employees of all participating employers that were hired on or after July 1, 2015.

Once the certified retirees of Alcoa City Schools reach Medicare eligibility, they may then join the Tennessee Plan (TNP), which provides supplemental medical insurance for retirees with Medicare. However, the Alcoa City Schools does not provide any subsidy (direct or indirect) to this plan and therefore does not recognize any OPEB liability associated with the TNP.

NOTE 9 - POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (Continued)

(B) SCHOOL SYSTEM (Continued)

General Information About the OPEB Plan (Continued)

Benefits Provided - The Alcoa City Schools offers the TGOP to provide health insurance coverage to eligible pre-65 retirees, support staff, and disabled participants of local education agencies. Insurance coverage is the only postemployment benefit provided to retirees. An insurance committee created in accordance with TCA 8-27-301 establishes and amends the benefit terms of the TGOP. All members have the option of choosing between the premier preferred provider organization (PPO), standard PPO, limited PPO or the wellness health savings consumer-driven health plan (CDHP) for healthcare benefits. Retired plan members of the TGOP receive the same plan benefits as active employees at a blended premium rate that considers the cost of all participants. This creates an implicit subsidy for retirees. Participating employers determine their own policy related to direct subsidies provided for retiree premiums. Alcoa City Schools does not provide a direct subsidy toward retirees' insurance premiums and is subject only to the implicit subsidy. The state, as a governmental non-employer contributing entity, provides a direct subsidy for eligible retirees' premiums based on years of service. Retirees with 30 or more years of service will receive 45%; 20 but less than 30 years, 35%; and less than 20 years, 20% of the scheduled premium. No subsidy is provided for enrollees of the health savings CDHP. The TGOP is funded on a pay-as-you-go basis and there are no assets accumulating in a trust that meets the criteria of paragraph 4 of GASB Statement No. 75.

Employees Covered by Benefit Terms - At the measurement date of June 30, 2022, the following employees were covered by the benefit terms:

Inactive Employees or Beneficiaries Currently Receiving Benefits	35
Inactive Employees Entitled to, but not yet Receiving Benefits	27
Active Employees	<u>130</u>
Total	<u><u>192</u></u>

An insurance committee, created in accordance with TCA 8-27-301, establishes the required payments to the TGOP by member employers and employees through the blended premiums established for active and retired employees. Claims liabilities of the plan are periodically computed using actuarial and statistical techniques to establish premium rates. Administrative costs are allocated to plan participants. Employers contribute towards employee costs based on their own developed policies. During the current reporting period, the Alcoa City Schools paid \$258,349 to the TGOP for OPEB benefits as they came due.

Total OPEB Liability

Actuarial Assumptions - The collective total OPEB liability in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.25%
Salary Increases	Graded salary ranges from 3.44% to 8.72% based on age, including inflation, averaging 4%.
Healthcare Cost Trend Rates	8.37% for pre-65, decreasing annually over a 7 year period to an ultimate rate of 4.50%. 8.99% for post-65, decreasing annually over an 8 year period to an ultimate rate of 4.50%.
Retiree's Share of Benefit-Related Costs	Members are required to make monthly contributions in order to maintain their coverage. For the purpose of this Valuation a weighted average has been used with weights derived from the current distribution of members among plans offered.

NOTE 9 - POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (Continued)

(B) SCHOOL SYSTEM (Continued)

Total OPEB Liability (Continued)

Unless noted otherwise, the actuarial demographic assumptions used in the June 30, 2022, valuations were the same as those employed in the July 1, 2020 Pension Actuarial Valuation of the Tennessee Consolidated Retirement System (TCRS). These assumptions were developed by TCRS based on the results of an actuarial experience study for the period July 1, 2016 - June 30, 2020. The demographic assumptions were adjusted to more closely reflect actual and expected future experience. Mortality tables are used to measure the probabilities of participants dying before and after retirement. The mortality rates employed in this valuation are taken from the headcount-weighted below median teachers PUB-2010 Healthy Participant Mortality Table for Annuitants for non-disabled post-retirement mortality, with mortality improvement projected to all future years using Scale MP-2020. Post-retirement tables are adjusted with a 19% load for males and a 18% load for females. Mortality rates for impaired lives are the same as those used by TCRS and are taken from a gender distinct table published in the IRS Ruling 96-7 for disabled lives with a 10% load with mortality improvement projected to all future years using Scale MP-2020.

Discount Rate - The discount rate used to measure the total OPEB liability was 3.54%. This rate reflects the interest rate derived from yields on 20-year, tax-exempt general obligation municipal bonds, prevailing on the measurement date, with an average rating of AA/Aa as shown on the Bond Buyer 20-Year Municipal GO AA index.

Changes in the Collective Total Liability – Changes in the collective total liability are as follows:

	<u>Total OPEB Liability</u>
<u>Balance at June 30, 2021</u>	<u>\$ 6,910,351</u>
Changes for the Year	
Service Cost	403,003
Interest	155,650
Change of Benefit Terms	(150,227)
Differences Between Expected and Actual Experience	(28,721)
Changes in Assumptions	(588,070)
Benefits Payments	<u>(215,848)</u>
Net Changes	<u>(424,213)</u>
<u>Balance at June 30, 2022</u>	<u>\$ 6,486,138</u>
Nonemployer Contributing Entities Proportionate Share of the Collective Total OPEB Liability	\$ 1,730,805
Employer's Proportionate Share of the Collective Total OPEB Liability	\$ 4,755,333
Employer's Proportion of the Collective Total OPEB Liability	\$ 73.32%

The Alcoa City Schools has a special funding situation related to benefits paid by the State of Tennessee for its eligible retired employees participating in the TGOP. Alcoa City Schools' proportionate share of the collective total OPEB liability was based on a projection of the employer's long-term share of benefit payments to the OPEB plan relative to the projected share of benefit payments of all participating employers and nonemployer contributing entities, actuarially determined. The proportion changed (1.54)% from the prior measurement date. Alcoa City Schools recognized \$67,585 in revenue for subsidies provided by nonemployer contributing entities for benefits paid by the TGOP for Alcoa City School retirees.

Changes in Assumptions - The discount rate was changed from 2.16% as of the beginning of the measurement period to 3.54% as of June 30, 2023. The medical and drug trend rate assumptions were updated to reflect more recent experience and a change in expected per capita health claims to reflect more recent information as of the measurement date. Coverage acceptance rates for certain employers were updated to reflect more recent subsidy amounts and plan experience.

Total OPEB Liability (Continued)

Sensitivity of Proportionate Share of the Collective Total OPEB Liability to Changes in the Discount Rate - The following presents the proportionate share of the collective total OPEB liability related to the TGOP, as well as what the proportionate share of the collective total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current discount rate.

	1% Decrease <u>(2.54%)</u>	Current Discount Rate (3.54%)	1% Increase <u>(4.54%)</u>
Proportionate Share of Collective Total OPEB Liability	\$ <u>5,087,149</u>	\$ <u>4,755,333</u>	\$ <u>4,438,183</u>

Sensitivity of proportionate share of the collective total OPEB liability to changes in the healthcare cost trend rate - The following presents the proportionate share of the collective total OPEB liability related to the TGOP, as well as what the proportionate share of the collective total OPEB liability would be if it were calculated using a healthcare cost trend rate that is 1-percentage-point lower or 1-percentage-point higher than the current healthcare cost trend rate.

	1% Decrease (6.36% / 6.32%) <u>Decreasing to 3.50%</u>	Healthcare Cost Trend Rates (7.36% / 7.32%) <u>Decreasing to 4.5%</u>	1% Increase (8.36% / 8.32%) <u>Decreasing to 5.50%</u>
Proportionate Share of Collective Total OPEB Liability	\$ <u>4,280,186</u>	\$ <u>4,755,333</u>	\$ <u>5,305,450</u>

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

OPEB Expense (Negative OPEB Expense) - For the fiscal year ended June 30, 2023, Alcoa City Schools recognized OPEB expense of (\$104,589).

Deferred Outflows of Resources and Deferred Inflows of Resources - For the fiscal year ended June 30, 2023, Alcoa City Schools reported deferred outflows of resources and deferred inflows of resources related to OPEB benefits in the TGOP from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Actual and Expected Experience	\$ 338,100	\$ 896,303
Changes of Assumptions	418,463	650,257
Changes in Proportions	83,589	142,908
Employer Payments Subsequent to the Measurement Date	<u>258,349</u>	<u>0</u>
Totals as of June 30, 2023	\$ <u>1,098,501</u>	\$ <u>1,689,468</u>

The amounts shown above for "Employer payments subsequent to the measurement date" will be included as a reduction to total OPEB liability in the following measurement period.

NOTE 9 - POST-EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB) (Continued)

(B) SCHOOL SYSTEM (Continued)

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB (Continued)

Amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in OPEB expense as follows:

<u>For the Years ended June 30:</u>	
2024	\$ (145,679)
2025	(145,679)
2026	(145,679)
2027	(145,679)
2028	(129,441)
Thereafter	<u>(137,159)</u>
Total	<u>\$ (849,316)</u>

In the table above, positive amounts will increase OPEB expense while negative amounts will decrease OPEB expense.

On-Behalf Payments

TGOP Plan - The State of Tennessee makes a contribution (on-behalf payment) for School System employees who participate in the TGOP. The on-behalf payment for fiscal year 2023 was \$84,917 and has been recorded as a revenue and expenditure in the Education Fund.

TNP - The State of Tennessee makes a contribution (on-behalf payment) for School System employees who participate in the TNP. The on-behalf payment for fiscal year 2023 was \$20,040 and has been recorded as a revenue and expenditure in the Education Fund.

NOTE 10 - EMPLOYEE HEALTH INSURANCE INTERNAL SERVICE FUND

The City has established the Employees' Insurance Trust Fund for risks associated with the employee's health insurance plan. The Employees Insurance Trust is accounted for as an internal service fund where assets are set aside for claim settlements. The City retains the risk of loss to a limit of \$120,000 per specific loss. The City has obtained a stop/loss commercial insurance policy to cover claims beyond the \$120,000 per specific loss. The maximum liability approximates \$100 million for the year (based on 839 covered persons at a maximum of \$120,000 per covered person).

All full-time employees of the primary government are eligible to participate. A premium charge is allocated to each fund that accounts for full-time employees. This premium charge is based on actuarial estimates of the amounts needed to pay prior and current-year claims and to establish a reserve for catastrophe losses.

Liabilities of the fund are reported when it is probable that a loss has occurred, and the amount of the loss can be reasonably estimated. The Employees' Insurance Trust Fund establishes claims liabilities based on estimates of the ultimate cost of claims that have been incurred but not reported. The process used to compute claims liabilities does not necessarily result in an exact amount.

Changes in the balance of claims liabilities during the past three fiscal years are as follows:

<u>Year Ended June 30,</u>	<u>Beginning of Fiscal Year Liability</u>	<u>Current Year Claims</u>	<u>Liability Balance at Fiscal Year End</u>
2021	\$ 707,457	\$ 3,865,152	\$ 671,197
2022	671,197	3,871,168	592,906
2023	592,906	6,361,001	1,524,643

The City carries commercial insurance for all other risks of loss, including general liability, property and casualty, workers' compensation and environmental. Settled claims from these risks have not exceeded commercial insurance coverage in any of the prior three (3) fiscal years.

NOTE 11 - CONTRACT/PROGRAMS WITH TENNESSEE VALLEY AUTHORITY (TVA)

The City has a power contract with TVA whereby the City purchases 100% of its electric power from TVA subject to certain restrictions and conditions. The restrictions and conditions include prohibitions against diverting Electric Utility Fund assets to other operations of the City, securing indebtedness of other operations, or paying more than the Electric Utility Fund's equitable share of tax equivalents.

The City participates in TVA's Home Energy Conservation Program. TVA advances the funds from which the City disburses for approved customer home insulation and heat pumps. In the event of customer default, the City does not have loss exposure. As of June 30, 2023, receivables from customers for conservation loans was \$82,461.

The City participates in the TVA program for prepayment of wholesale power invoices. The prepayment account earns daily interest based on TVA's average short-term interest rate. TVA reduces the prepayment account for the amount of the City's monthly power invoice each month. As of June 30, 2023, the total prepaid TVA power invoice program was \$4,158,302.

NOTE 12 - CONSTRUCTION CONTRACTS

As of June 30, 2023, the City had the following commitments with respect to unfinished construction-in-progress:

Project Name	Total Contract or Estimated Amount	Costs Incurred Through June 30, 2023	Estimated Cost to Complete

	<u>\$ 29,514,999</u>	<u>\$ 23,354,717</u>	<u>\$ 6,160,282</u>

NOTE 13 - LANDFILL OPERATIONS

(A) SOLID WASTE AUTHORITY

In accordance with the Solid Waste Management Act of 1989, the Solid Waste Authority was established. The Authority's eleven members, appointed by the Blount County Executive and the Mayors of Maryville and Alcoa, are comprised of the following representatives:

City of Alcoa	2
City of Maryville	2
Blount County	3
Citizens-At-Large	2
Private Hauler	1
Industrial	1

Expenditures of the Authority for management and a solid waste plan are paid by the City of Alcoa Landfill Fund and amounted to \$120,215 for the year ended June 30, 2023.

NOTE 13 - LANDFILL OPERATIONS

(B) LANDFILL CLOSURE AND POSTCLOSURE

Blount County, Tennessee and the Cities of Maryville and Alcoa are currently being served by one landfill area operated by the City. The existing landfill (Phase I) began operations in 1974 and was expanded in July 1986 and in April 1991. The original design and both expansions were based on a variation of an area landfill using the trench method to develop refuse filled cells.

State and Federal laws and regulations require the Landfill to place a final cover on its Phase I site when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for thirty (30) years after the closure. Although closure and postclosure care costs will be paid only near or after the date that the Landfill stops accepting waste (including Phase II in 1996 through Phase IV which will all interface with the existing Phase I Landfill), the Landfill reports a portion of these closure and postclosure care costs as an operating expense in each period based on landfill capacity used as of each balance sheet date. The \$13,260,518 reported as landfill closure and postclosure care liability at June 30, 2023, represents the cumulative amount reported to date based on the use of 28% of the estimated capacity of the Landfill. The City expects to close the Landfill site in 2025, under the current estimate. The City has permit extensions that will allow for an additional 35 years of use. Actual cost may be higher due to inflation, changes in technology, or changes in regulations.

NOTE 14 - JOINT VENTURES

In order to pool resources and share the costs, risks and rewards of providing services for the benefit of the general public, the City participates (has an on-going financial interest and financial responsibility) in the following joint ventures:

(A) EMERGENCY COMMUNICATIONS DISTRICT OF BLOUNT COUNTY

Pursuant to an agreement dated August 28, 1984, between the City of Alcoa, Blount County, and the City of Maryville, Tennessee, a Communications Center was established for the purpose of handling emergency calls for the three (3) governmental entities. Effective July 1, 1999, the Blount County Communications Center was combined with the Emergency Communications District of Blount County, a component unit of Blount County, Tennessee. The three (3) governmental entities participate in the funding of the District while exercising no direct control over the District.

The Emergency Communications District of Blount County is governed by nine (9) directors appointed by the Blount County Board of County Commissioners. Before the issuance of most debt instruments, the District must obtain the approval of the Blount County Board of County Commissioners. The District's Board employs coordinators and staff to conduct the daily business of the organization.

For the fiscal year ended June 30, 2023, the City of Alcoa, Tennessee contributed \$214,820 to the Blount County Emergency Communications District. Summary financial information, as required by generally accepted accounting principles, for the fiscal year ended June 30, 2022, the most recent fiscal year available, is presented below:

Operating Revenues	\$ 2,086,227
Operating Expenses	<u>2,572,736</u>
Operating Income (Loss)	(486,509)
Non-Operating Revenues	<u>948,742</u>
Change in Net Position	462,233
Net Position - July 1, 2021	<u>5,549,150</u>
Net Position - June 30, 2022	<u>\$ 6,011,383</u>
Total Assets	<u>\$ 7,493,446</u>
Deferred Outflows of Resources	<u>\$ 764,270</u>
Total Liabilities	<u>\$ 811,735</u>
Deferred Inflows of Resources	<u>\$ 1,434,598</u>
Net Position	<u>\$ 6,011,383</u>

The Emergency Communications District of Blount County issues a publicly available financial report. A report may be obtained by writing to the Blount County Emergency Communications District, P. O. Box 4609, Maryville, TN 37802.

NOTE 14 - JOINT VENTURES (Continued)**(B) RECREATION AND PARKS COMMISSION**

Blount County, the City of Maryville, and the City of Alcoa jointly operate a recreation and parks system through a joint Recreation and Parks Commission. The Commission is composed of seven members, two of whom are appointed by the City of Alcoa Commission. Two members each are appointed by Blount County and the City of Maryville, Tennessee. One member is appointed by the joint commission. The City of Alcoa has control over budget and financing of the Commission only to the extent of representation by the two board members appointed.

For the fiscal year ended June 30, 2023, the City contributed \$625,530 to the Recreation and Parks Commission to fund operations. Summary financial information, as required by accounting principles generally accepted in the United States of America, for the fiscal year ended June 30, 2022, the most recent fiscal year available, is presented below:

Revenues	\$ 3,186,783
Expenditures	<u>3,363,710</u>
Change in Net Position	(176,927)
Net Position - July 1, 2021	<u>2,976,872</u>
Net Position - June 30, 2022	<u>\$ 2,799,945</u>
Total Assets	<u>\$ 2,603,220</u>
Deferred Outflows of Resources	<u>\$ 511,095</u>
Total Liabilities	<u>\$ 314,370</u>
Net Position	<u>\$ 2,799,945</u>

The Recreation and Parks Commission issues a publicly available financial report. A copy may be obtained by writing to Recreation and Parks Commission, 316 Everett High Road, Maryville, TN 37804.

(C) BLOUNT COUNTY CABLE TELEVISION AUTHORITY

The City of Alcoa, Blount County, and the City of Maryville, Tennessee jointly regulate the operation of cable television through the Blount County Cable Television Authority. The Authority is composed of nine (9) appointed members, three (3) of whom are appointed by the City of Alcoa Commission. The remaining six (6) members are appointed by Blount County and the City of Maryville. The Authority funds its budget through the collection of cable television franchise fees from companies under its jurisdiction. After payment of the Authority's expenses, the residual of those collections is remitted to the County and the two Cities based on point of collection.

Summary financial information, as required by accounting principles generally accepted in the United States of America, for the fiscal year ended June 30, 2022, the most recent fiscal year available is presented below:

Revenues	\$ 1,064,421
Expenditures	<u>22,967</u>
Excess of Revenue Over Expenditures Before	
Franchise Fee Distributions	1,041,454
Franchise Fee Distributions to County and Cities	<u>1,031,916</u>
Change in Net Position	9,538
Net Position - July 1, 2021	<u>7,489</u>
Net Position - June 30, 2022	<u>\$ 17,027</u>
Total Assets	<u>\$ 290,245</u>
Total Liabilities	<u>\$ 273,218</u>
Net Position	<u>\$ 17,027</u>

NOTE 14 - JOINT VENTURES (Continued)

(C) BLOUNT COUNTY CABLE TELEVISION AUTHORITY (Continued)

No joint venture debt was reported on the financial statements of the Authority as of June 30, 2022.

The Blount County Cable Television Authority issues a publicly available financial report. A copy may be obtained by writing to Blount County Cable Television Authority, P. O. Box 4338, Maryville, TN 37802.

(D) INDUSTRIAL DEVELOPMENT BOARD OF BLOUNT COUNTY AND THE CITIES OF ALCOA AND MARYVILLE, TENNESSEE

The Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee was organized pursuant to a resolution of the Blount County Quarterly Court in a special called session on September 30, 1969. A certificate of incorporation was received from the Secretary of State of the State of Tennessee dated October 1, 1969. The Industrial Development Board is governed by seven (7) directors. The purpose of the Industrial Development Board is to promote industrial development, provide additional job opportunities in Blount County, Tennessee and surrounding areas, and to exercise the authority and pursue the objectives of an industrial development corporation as provided for in Title 7, Chapter 53, of the Tennessee Code Annotated.

For the fiscal year ended June 30, 2023, the City contributed \$480,850 to the Industrial Development Board of Blount County.

Summary financial information, as required by accounting principles generally accepted in the United States of America, for the fiscal year ended June 30, 2022, the most recent fiscal year available, is presented below:

Revenues	\$ 7,887,329
Expenditures	<u>10,698,873</u>
Change in Net Position	<u>(2,811,544)</u>
Net Position - July 1, 2021	25,878,142
Prior Period Adjustment	<u>(13,793,668)</u>
Net Position - July, 1 2021 - Restated	<u>12,084,474</u>
Net Position - June 30, 2022	<u>\$ 9,272,930</u>
Total Assets	<u>\$ 44,592,414</u>
Total Liabilities	<u>\$ 35,319,484</u>
Net Position	<u>\$ 9,272,930</u>

The Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee issues a publicly available report. A copy may be obtained by writing to Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee, 201 S. Washington Street, Maryville, Tennessee 37804.

NOTE 15 - JOINT DEVELOPMENTS

(A) PARTNERSHIP PARK NORTH - PARTNERSHIP PARK SOUTH

Pursuant to an Intergovernmental Cooperation Agreement dated December 16, 1997, by and among the City of Maryville, Tennessee, the City of Alcoa, Tennessee, Blount County, Tennessee, and the Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee, the two (2) cities and Blount County agreed to provide financial assistance to the Industrial Development Board in connection with the purchase of certain property and the development and operation of such property as two (2) industrial parks. Such financial assistance is to be provided as follows: Blount County –40%; City of Maryville –30%; and City of Alcoa – 30%.

NOTE 15 - JOINT DEVELOPMENTS (Continued)

(A) PARTNERSHIP PARK NORTH - PARTNERSHIP PARK SOUTH (Continued)

Under the terms of the agreement, a joint operating committee, composed of one (1) representative from each of the parties to the agreement, shall have overall control of the two (2) industrial parks – the Partnership Park South (Herron property) and the Partnership Park North (Burkhart property). Such overall control shall include the right to approve all sales of property in the Industrial Parks; approve all budgets related to the operation of the Industrial Parks; approve all capital improvements to the Industrial Parks; and approve all design guidelines, restrictive covenants, and management policies regarding the Industrial Parks.

In addition to financial assistance provided to the Industrial Development Board by the City of Alcoa, the City of Maryville, and Blount County, the Industrial Development Board is to receive the proceeds from the sale of land in the Industrial Parks together with other receipts in connection with the operation, development, and maintenance of the Industrial Parks. Also, amounts equivalent to the property taxes received with respect to any property within either of the Industrial Parks is to be contributed to the Industrial Board.

On September 30, 2021, Smith & Wesson Brands, Inc. announced plans to move their headquarters to Partnership Park North. Vast infrastructure improvements will be required in order to meet the needs of such a large organization. All associated cost and related revenue will be split based on the funding structure outlined in the Intergovernmental Development Agreement. The City of Alcoa's 30% share of expenditures is estimated to be approximately \$1.2 million. The City issued General Obligation Bonds, Series 2022A, (see Note 7) and appropriated approximately \$780,000 thousand of the bond proceeds to assist with funding the initial infrastructure needs.

(B) THE PELLISSIPPI RESEARCH CENTRE ON THE OAK RIDGE CORRIDOR

Pursuant to an Intergovernmental Cooperation Agreement dated May 2006 by and among the City of Alcoa, Tennessee; the City of Maryville, Tennessee; Blount County, Tennessee; Knox County, Tennessee; and the Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee, the two (2) cities and two (2) counties agreed to provide financial assistance to the Industrial Development Board in connection with the purchase of certain property and the development and operation of such property as a research and development industrial park. Such financial assistance is to be provided as follows: Blount County – 25%; Knox County – 25%; City of Maryville –25%; and City of Alcoa – 25%.

Under the terms of the agreement, a joint operating committee, composed of one (1) representative from each of the parties to the agreement, shall have overall control of the industrial park. Such overall control shall include the right to approve all sales of property in the Industrial Park; approve all budgets related to the operation of the Industrial Park; approve all capital improvements to the Industrial Park; and approve all design guidelines, restrictive covenants, and management policies regarding the Industrial Park.

In addition to financial assistance provided to the Industrial Development Board by the City of Alcoa, the City of Maryville, Blount County and Knox County, the Industrial Development Board is to receive the proceeds from the sale of land in the Industrial Park together with other receipts in connection with the operation, development, and maintenance of the Industrial Park. Also, amounts equivalent to the property taxes received with respect to any property within the Industrial Park is to be contributed to the Industrial Board if needed for operation. Otherwise, the property taxes are remitted to the two (2) cities and two (2) counties based upon the above percentages.

(C) PROJECT PEARL

On January 21, 2021, the City entered into an intergovernmental agreement with Blount County, and The Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee ("Board"). The agreement is to induce the construction, equipping and operation by Amazon of a distribution and robotics processing facility in order to promote economic development within the boundaries of the City and County. The Board desires to design and construct certain public road, greenway and utility infrastructure improvements. To finance certain costs of the infrastructure work, the City has executed an industrial revenue note with the Board in an amount not to exceed \$6,000,000. The Board has drawn down the full proceeds in accordance with terms of the agreement. The industrial revenue note will be repaid to the City by the Board through payments in lieu of taxes generated in connection with the project. The industrial revenue note does not bear interest and matures March 1, 2044. During the year ended June 30, 2023, payments totaling \$658,102 were received leaving a remaining outstanding amount due to the City from the Board of \$5,337,873 as of June 30, 2023. In order to fund the loan to the Board, the City issued General Obligation Bonds, Series 2021A (see Note 7) for \$6,305,000.

NOTE 16 - RISK FINANCING ACTIVITIES

It is the policy of the City to purchase commercial insurance for the risks of losses to which it is exposed. These risks include general liability, property and casualty, worker's compensation, and employee health and accident claims. Settled claims have not exceeded this commercial coverage in any of the past three (3) fiscal years.

The City maintains its funds with financial institutions which participate in the bank collateral pool administered by the Treasurer of the State of Tennessee. Participating banks determine the aggregate balance of their public funds accounts for the State of Tennessee and its political subdivisions. The amount of collateral required to secure these public deposits must be equal to at least 105% of the average daily balance of public deposits held. Collateral securities required to be pledged by the participating banks to protect their public funds accounts are pledged to the State Treasurer on behalf of the bank collateral pool. The securities pledged to protect these accounts are pledged in aggregate rather than against each individual account. Under this assessment agreement, public funds accounts covered by the pool are considered to be insured for purposes of credit risk disclosure.

NOTE 17 - PENDING LITIGATION

The City is involved in various litigations arising in the ordinary course of its operations. The City is vigorously defending each of the suits. The outcome of these suits is not presently determinable. However, management believes that if any suit results in an unfavorable outcome that its insurance coverage is sufficient to cover any judgment.

Notes:

Valuation Date:

Actuarially determined contribution rates for 2023 were calculated based on July 1, 2022 actuarial valuation.

Methods and Assumptions Used to Determine Contribution Rates:

Asset valuation	Five-year smoothing of difference between market value and expected market assets
Inflation	4.0%
Salary increases	4.0% Annual increase to normal retirement age, including inflation
Investment Rate of Return	7.25%, Net investment expense, including inflation
Retirement age	Pattern of retirement determined by experience study
Mortality	SOA PubG-2010 mortality tables for employees, retirees, disabled retirees and contingent survivors, with current and future mortality improvement estimated by using Scale MP-2021
Cost of Living Adjustments	None

Notes:

Valuation date: Actuarially determined contribution rates for 2023 were calculated based on the June 30, 2021 actuarial valuation.

Methods and Assumptions Used to Determine Contribution Rates:

Actuarial Cost Method:	Entry Age Normal
Amortization Method:	Level Dollar, Closed (Not to Exceed 20 Years)
Remaining Amortization Period:	Varies by Year
Asset Valuation:	10-year smoothed within a 20.0% corridor to market value
Inflation	2.25%
Salary Increases:	Graded salary ranges from 8.72% to 3.44% based on age, including inflation, averaging 4.00%
Investment Rate of Return	6.75%, net of investment expense, including inflation
Retirement Age	Pattern of retirement determined by experience study
Mortality	Customized table based on actual experience including an adjustment for some anticipated improvement.
Cost of Living Adjustments	2.125%

Changes of assumptions - In 2021, the following assumptions were changed: decreased inflation rate from 2.50% to 2.25%; decreased the investment rate of return from 7.25% to 6.75%; decreased the cost-of-living adjustment from 2.25% to 2.125%; and modified mortality assumptions. In 2017, the following assumptions were changes: Decreased inflation rate from 3.00% to 2.50%; decreased the investment rate of return from 7.50% to 7.25%; decreased the cost-of-living adjustment from 2.50% to 2.25%; decreased salary growth graded ranges from an average of 4.25% to an average of 4.00%; and modified the mortality assumptions.

Please refer to the previously supplied data from the TCRS GASB website for prior years' data, if needed.

Notes:

Valuation date: Actuarially determined contribution rates for 2023 were calculated based on the June 30, 2021 actuarial valuation.

Methods and Assumptions Used to Determine Contribution Rates:

Actuarial Cost Method:	Entry Age Normal
Amortization Method:	Level Dollar, Closed (Not to Exceed 20 Years)
Remaining Amortization Period:	Varies by Year
Asset Valuation:	10-year smoothed within a 20.0% corridor to market value
Inflation	2.25%
Salary Increases:	Graded salary ranges from 8.72% to 3.44% based on age, including inflation, averaging 4.00%
Investment Rate of Return	6.75%, net of investment expense, including inflation
Retirement Age	Pattern of retirement determined by experience study
Mortality	Customized table based on actual experience including an adjustment for some anticipated improvement.
Cost of Living Adjustments	2.125%

Changes of assumptions - In 2021, the following assumptions were changed: decreased inflation rate from 2.50% to 2.25%; decreased the investment rate of return from 7.25% to 6.75%; decreased the cost-of-living adjustment from 2.25% to 2.125%; and modified mortality assumptions. In 2017, the following assumptions were changes: Decreased inflation rate from 3.00% to 2.50%; decreased the investment rate of return from 7.50% to 7.25%; decreased the cost-of-living adjustment from 2.50% to 2.25%; decreased salary growth graded ranges from an average of 4.25% to an average of 4.00%; and modified the mortality assumptions.

INTERNAL SERVICE FUNDS

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other governmental operating units on a cost-reimbursed basis.

Employee Insurance Fund – The Employee Insurance Fund is used to account for the City’s self-insured health insurance program. Premiums charged to various operating funds and employee payroll deductions are placed in this fund for the payment of medical claims and administrative expenses.

Service Center Fund – The Service Center Fund is used to account for the operation of the City’s physical facilities. Charges collected from various City funds are placed in this fund for the payment of operating expenses associated with the City’s physical facilities.

Flexible Spending Fund – The Flexible Spending Fund is a fund used to account for the City’s employees for setting aside a certain amount of each paycheck (before income tax) and to later get reimbursed for other medical expenses not covered by insurance.

City OPEB Insurance Fund – The OPEB Insurance Fund is a dedicated reserve used to account for the City’s liability for postemployment benefits – medical benefits not associated with a pension plan.

Schools OPEB Insurance Fund – The OPEB Insurance Fund is a dedicated reserve used to account for the School System’s liability for postemployment benefits – medical benefits not associated with a pension plan.

EDUCATION FUND

The Education Fund is used to account for the general operations of the Alcoa City Schools. Major funding for the Education Fund is provided by State education funds, shared revenues provided by Blount County and transfer of property tax revenue from the General Fund. The Education Fund is presented as a major fund in the basic financial statements.

NON-MAJOR GOVERNMENTAL FUNDS SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes.

State Street Aid Fund – The State Street Aid Fund is used to account for the State gasoline tax. Proceeds of this tax must be expended for the improvement and maintenance of City streets.

Federal Projects Fund – The Federal Projects Fund is used to account for restricted federal revenues which must be expended on specific education programs.

Extended Day Program – The Extended Day Program Fund is used to account for the revenues (primarily fees) and expenditures of the before – and after-school program at the elementary school.

Alcoa City Schools Cafeteria Fund – The Alcoa City Schools Cafeteria Fund is used to account for the operations of all cafeterias in the School System. Revenues are provided primarily by the sale of meals (breakfasts, lunches, and a la carte items) and reimbursements from the United States Department of Agriculture (USDA).

Internal School Fund – The Internal School Fund is used to account for revenues and expenditures associated with various student activities.

Drug Fund – The Drug Fund is used to account for revenues (primarily drug related fines) which must be expended on drug enforcement operations of the City.

Commercial Motor Vehicle Fines Fund – The Commercial Motor Vehicle Fund is used to account for commercial motor vehicle fines and related expenditures.

ENTERPRISE FUNDS

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business enterprise, where the intent is that costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

Stormwater Utility Fund – The Stormwater Utility Fund is used to account for the operations of the City’s stormwater systems and is presented as a major fund in the basic financial statements.

Water and Sewer Utility Fund – The Water and Sewer Utility Fund is used to account for the operations of the City’s water and sewer system. The Water and Sewer Fund is presented as a major fund in the basic financial statements.

Electric Utility Fund – The Electric Utility Fund is used to account for the operations of the City’s electric system. The Electric Utility Fund is presented as a major fund in the basic financial statements.

Landfill Fund – The Landfill Fund is used to account for the operation by the City of the Blount County Landfill. The Landfill Fund is presented as a major fund in the basic financial statements.

CITY OF ALCOA, TENNESSEE
SCHEDULE OF UTILITY RATES - ELECTRIC
June 30, 2023

The basic utility rates in force as of June 30, 2023 are as follows:

<u>Base Residential Rate - Schedule RS</u>	
Customer Charge:	\$19.25 per month
Energy Charge:	10.564 cents per kWh per month

Base General Power Rate - Schedule GSA

PART 1

Customer Charge:	\$26.54 per delivery point per month
Energy Charge:	11.749 cents per kWh per month

PART 2

Customer Charge:	\$101 per delivery point per month
Demand Charge:	First 50 kW of billing demand per month, no demand charge \$14.45/kW for 51-1,000 kWh
Energy Charge:	11.464 cents per kWh for first 15,000 kWh 7.139 cents per kWh for all additional kWh

PART 3

Customer Charge:	\$240 per delivery point per month
Demand Charge:	First 1,000 kW of billing demand per month at 13.88 cents per kWh From 1,001-5,000 kW of billing demand per month at 14.80 cents per kW
Energy Charge:	7.119 cents per kWh per month

Adjustment

The customer's bill for each month shall be increased or decreased in accordance with the current Adjustment Addendum published by TVA.

Minimum Monthly Bill

The monthly bill under this rate schedule shall not be less than the sum of (a) the base customer charge, (b) the base demand charge, as adjusted, applied to the customer's billing demand, and (c) the base energy charge, as adjusted, applied to the customer's energy takings; provided, however, that under Part 2 of the Base Charges, the monthly bill shall in no event be less than the sum of (a) the base customer charge and (b) 20% of the portion of the base demand charge, as adjusted, applicable to the second block (excess over 50 kW) of billing demand, multiplied by the higher of the customer's currently effective contract demand or its highest billing demand established during the preceding 12 months.

Distributor may require minimum bills higher than those stated above.

Payment

Bills under this rate schedule will be rendered monthly. Any amount of bill unpaid after due date specified on bill may be subject to additional charges under Distributor's standard policy.

The class and number of customers served by the Electric Utility is as follows:

Residential	27,137
General Power - Under 50kw	3,663
General Power - 50kw and Over	331
Street and Athletics	46
Outdoor Lighting	2,940

CITY OF ALCOA, TENNESSEE

CITY OF ALCOA, TENNESSEE

SCHEDULE 11

DIRECT AND OVERLAPPING GOVERNMENTAL ACTIVITIES DEBT

As of June 30, 2022

<u>Governmental Unit</u>	<u>Debt Outstanding</u>	<u>Estimated Percentage Applicable</u>	<u>Estimated Share of Overlapping Debt</u>
Debt Repaid with Property Taxes:			
Direct Debt			
General Obligation Bonds	\$ 146,500,000		
Leases	<u>7,290,537</u>		
Total Direct Debt	153,790,537	100.00%	\$ 153,790,537
Overlapping Debt			
Blount County General Government	124,265,000	15%	<u>18,639,750</u>
Total Direct and Overlapping Debt			<u>\$ 172,430,287</u>

Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of outstanding indebtedness of those overlapping governments that is borne by the residents and businesses of the City of Alcoa. This process recognizes that, when considering the City's ability to issue and repay long-term debt, the entire debt burden borne by residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore, responsible for repaying the debt of each overlapping government.

For debt repaid with property taxes, the percentage of overlapping debt applicable is estimated using the taxable assessed property values. Applicable percentages were estimated by determining the portion of Blount County, Tennessee's taxable assessed value within the City's boundaries and by dividing Blount County, Tennessee's total taxable value assessed.

CITY OF ALCOA, TENNESSEE

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE

For the Year Ended June 30, 2023

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards and state financial assistance (the "Schedule") includes the federal and state grant activity of City of Alcoa (the "City") and is presented on the modified accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Subpart F of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the City, they are not intended to and do not present the financial position, changes in net position, or cash flows of the City.

Federal Financial Assistance - The Single Audit Act Amendments of 1996 (Public Law 104-156) and Uniform Guidance define federal financial assistance as grants, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations or other assistance. Federal financial assistance does not include direct federal cash assistance to individuals.

Direct Payments - Assistance received directly from the Federal government is classified as direct payments on the Schedule.

Pass-through Payments - Assistance received in a pass-through relationship from entities other than the Federal government is classified as pass-through payments on the Schedule.

Major Programs - The Single Audit Act Amendments of 1996 and Uniform Guidance establish the criteria to be used in defining major programs. Major programs for the City were defined using a risk-based approach in accordance with Uniform Guidance.

Assistance Listing Number - The Assistance Listing Number (formerly known as Catalog of Federal Domestic Assistance or CFDA) is a government-wide compendium of individual federal programs. Each program included in the catalog is assigned a five-digit program identification number (Assistance Listing Number or ALN), which is reflected in the Schedule.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Any negative amounts shown in the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 - NON-CASH ASSISTANCE

The Alcoa City Schools is the recipient of certain federal awards that do result in cash receipts or disbursements, including distributions of U.S. Department of Agriculture (USDA) Food Commodities, which are valued based on an USDA price list obtained from the Tennessee Department of Agriculture.

NOTE 4 - INDIRECT COST RATE

The City has elected not to use the 10% de minimis indirect rate as allowed under Uniform Guidance.

NOTE 5 - CONTINGENCIES

The federal and state awards received by the government are subject to audit and adjustment. If any expenditures are disallowed by the grantor agencies as a result of such an audit, the grantor agency could make a claim for reimbursement.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Honorable Mayor, Members of Board of Commissioners,
and City Manager of City of Alcoa
Alcoa, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, budgetary comparisons for the general fund and education fund, and the aggregate remaining fund information of City of Alcoa, Tennessee (the "City"), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated December 15, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered City of Alcoa's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of City of Alcoa's internal control. Accordingly, we do not express an opinion on the effectiveness of City of Alcoa's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Alcoa's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matter that is required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and questioned costs as item 2023-001.

City of Alcoa's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the City's response to the findings identified in our audit and described in the accompanying Schedule of Findings and Questioned Costs. The City's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of City of Alcoa's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Alcoa's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND REPORT ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE

Honorable Mayor, Members of Board of Commissioners,
and City Manager of City of Alcoa
Alcoa, Tennessee

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited City of Alcoa's (the "City") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended June 30, 2023. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the City's federal programs.

An independently owned member
RSM US Alliance

TSCPA
Members of the Tennessee Society
Of Certified Public Accountants

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Pugh & Company, P.C.

Certified Public Accountants
Knoxville, Tennessee
December 15, 2023

CITY OF ALCOA, TENNESSEE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
For the Year Ended June 30, 2023

Section I - Summary of Auditors' Results

Financial Statements

Type of auditors' report issued: Unmodified

Internal control over financial reporting:

- Material weakness(es) identified? Yes No
- Significant deficiency(ies) identified? Yes None reported
- Noncompliance material to financial statements noted? Yes No

Federal Awards

Internal control over major federal programs:

- Material weakness(es) identified? Yes No
- Significant deficiency(ies) identified? Yes None reported

Type of auditors' report issued on compliance for major federal programs: Unmodified

Any audit findings disclosed that are required to be reported in accordance with section 2 CFR 200.516(a) Yes No

Major federal programs for the City of Alcoa, Tennessee for the fiscal year ended June 30, 2023 are:

Program Name	Assistance Listing #
COVID-19 Coronavirus State and Local Fiscal Recovery Funds	21.027
Child Nutrition Cluster	10.553 / 10.555
COVID-19 Education Stabilization Fund	84.425

Dollar threshold used to distinguish between Type A & Type B programs: \$750,000

Auditee qualified as low-risk auditee? Yes No

CITY OF ALCOA, TENNESSEE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS (Continued)
For the Year Ended June 30, 2023

Section II - Financial Statement Findings

Current Year Audit Findings: None

Section III - Federal Award Findings

Current Year Audit Findings: None

Section IV – Noncompliance Under *Government Auditing Standards*

2023-001 - Expenditures Exceed Appropriations

Criteria or Specific Requirement - Section 6-56-203, *Tennessee Code Annotated*, states that all money received and expended by a municipality shall be included in a budget ordinance. Therefore, notwithstanding any other provision of law, no municipality may expend moneys regardless of their source, including moneys derived from bond and long-term debt proceeds, federal, state, or private grants or loans, or special assessments, except in accordance with a budget ordinance adopted under this section.

Condition - Actual expenditures in the Capital Projects Fund exceeded the amounts appropriated in the budget.

Cause and Effect - Actual expenditures exceed approved appropriations in the General Fund. As a result, the City has not complied with Section 6-56-203, *Tennessee Code Annotated*.

Recommendations - We recommend that officials authorize all expenditures either in the original budget, in an amendment, or in a supplemental appropriation.

Management's Response - We concur with the finding and recommendation. Management will continue to perform detailed monitoring of the budget and expenditures to take appropriate action as needed. Additionally, in relation to the Capital Projects Fund, management would like to point out that although expenditures were not appropriated in the budget for the lease of communications equipment, the purpose of the lease and its intended use were very specific, the agreement was approved by the City's highest level of decision-making authority (City Commission). Additionally, management would also like to note that the entry which resulted in expenditures exceeding appropriations was a noncash transaction and had no effect on the net change in fund balance.

MANAGEMENT'S CORRECTIVE ACTION PLAN

For the Year Ended June 30, 2023

2023-001: Expenditures Exceed Appropriations

Contact Person Responsible for Corrective Action: Brittany Spence, CMFO - City of Alcoa Director of Finance

Corrective Action Planned: We concur with the finding and recommendation. Management will continue to perform detailed monitoring of the budget and expenditures to take appropriate action as needed. Additionally, management would like to point out that a payment for implementation of new general ledger software resulted in expenditures exceeding appropriations. The responsible software contract, which included the total implementation cost, was approved by the City's highest level of decision-making authority (City Commission).

Anticipated Completion Date: Management will implement the corrective actions immediately.

Signature: Brittany Spence
