Annual Budget Memorandum

- Early each calendar year, the Division of Local Government Finance (LGF) sends the Annual Budget Memorandum (Memo) to all county and municipal mayors to remind them of the requirements for submitting their budget to LGF.
- This short presentation reviews what you'll find in the Memo.
- **IMPORTANT NOTE:**
 - Do **NOT** include new debt approval requests with your budget submission. Doing so could cause a delay in the approval of your debt request. Send all debt approval requests separately to <u>LGF@cot.tn.gov</u>.
 - Do **NOT** include budget amendments with your budget submission. That may delay the acknowledgement of your amendments.

In order to determine that a budget is balanced throughout the year as prescribed by T.C.A. § 9-21-403, if the Government has a fund that is estimated to end with 10% or less in cash as a percentage of expenditures, then a cash flow forecast is required for that fund. This excludes capital project funds.
