Attn: Erinne Hester  
Montgomery County Assessor  
350 Pageant Lane, Suite 101-C  
Clarksville, TN 37040

Dear Ms. Hester,

On November 10, 2021, I received your request for approval of the attached Montgomery County Agricultural, Forest Land, and Open Space Greenbelt Applications. Pursuant to Tenn. Code Ann. § 4-3-5103, the State Board of Equalization, at its meeting on October 30, 2018, delegated authority to the Executive Secretary to approve county-specific greenbelt forms that are substantially similar to the state-approved greenbelt forms.

I reviewed the attached Montgomery County Greenbelt Applications and have found them to be substantially similar to the state-approved greenbelt forms. Therefore, the attached forms are approved for immediate usage in Montgomery County.

State law requires Forest Land Greenbelt Applications to include evidence of forest management practices. The State Board of Equalization recommends its state-approved Forest Management Plan as a base minimum. It can be found on our website:

If you need to contact me, please call 615.747.5292 or email [Robin.Pope@cot.tn.gov](mailto:Robin.Pope@cot.tn.gov).

Sincerely,

A handwritten signature in blue ink that reads "E. R. P." followed by a horizontal line.

**APPLICATION FOR GREENBELT ASSESSMENT**

**Open Space Land & Open Space Easements**

The Agricultural, Forest and Open Space Land Act of 1976 (commonly referred to as the "Greenbelt Law") permits qualifying land to be assessed for property taxes at its current use value rather than at its fair market value which might be based on a more intensive use. **YOU MAY BE LIABLE FOR ROLLBACK TAXES** later if the land, or any portion, approved for greenbelt is converted to other uses or disqualified due to a sale or otherwise. The rollback period is five (5) years for open space land and ten (10) years for land under an open space easement.

"Open Space Land" is land of three (3) acres or more (other than agricultural or forest land) in an open or natural condition, whose preservation would further goals specified in the Greenbelt Law. Qualifying properties must be designated for open space preservation by local or state planning authorities, or the state commissioner of environment and conservation must have accepted a perpetual open easement from the owner of the property under terms specified in the law. Open space easements executed for the benefit of a local government or a qualified conservation organization can also qualify under the greenbelt law

Applications must be filed by March 15 to be considered for the current tax year. Applications filed after March 15 will be processed for the following tax year. **Initials:** \_\_\_\_\_

**Indicate whether you are applying under a planning authority designation or easement. (Check one.)**

The Agricultural, Forest and Open Space Land Act of 1976 (commonly referred to as the "Greenbelt Law") permits qualifying land to be assessed for property taxes at its current use value rather than at its fair market value which might be based on a more intensive use. Rollback taxes are based upon the amount of taxes saved during the last three (3) years the land was classified as forest land.

"Forest Land" means land "constituting a forest unit engaged in the growing of trees under a sound program of sustained yield management that is at least fifteen (15) acres and that the tree growth in such quantity and quality and so managed as to constitute a forest." The assessor may consult the State Forester in determining whether your land qualifies.

**Agricultural Land**

The Agricultural, Forest and Open Space Land Act of 1976 (commonly referred to as the "Greenbelt Law") permits qualifying land to be assessed for property taxes at its current use value rather than at its fair market value which might be based on a more intensive use. **YOU MAY BE LIABLE FOR ROLLBACK TAXES** later if the land, or any portion, approved for greenbelt is converted to other uses or disqualified due to a sale or otherwise. Rollback taxes are based upon the amount of taxes saved during the last three (3) years the land was classified as agricultural land.

For land to qualify for the agricultural land classification, it must be at least fifteen (15) acres, including woodlands and wastelands, and either:

- (1) constitute a farm unit engaged in the production or growing of agricultural products; or
- (2) have been farmed by the owner or the owner's parent or spouse for at least twenty-five (25) years and be used as the residence of the owner and not used for any purpose inconsistent with an agricultural use.

The assessor may presume that property is used as agricultural land if it produces gross agricultural income averaging at least \$1,500 per year over any three (3) year period. However, the assessor will also consider other available evidence indicating how the property is actually used. The assessor may ask for information concerning property income, ownership, and other information needed to determine how the property is used and how it should be valued.

Applications must be filed by March 15 to be considered for the current tax year. Applications filed after March 15 will be processed for the following tax year.
