Mr. VanderMeer reported that the projects to be considered at this meeting totaled \$7,470,000.00, and if these projects were approved, the uncommitted balance would be \$74,260,756.65 and the total committed balance would be \$268,885,944.36, which represented 78.4% of the FastTrack balance.

Mr. Wilson requested the FastTrack projects presented to the Board be presented at one time. Ms. Stitt then presented the following FastTrack projects:

Mr. Wilson inquired if the information provided in the ECD packets was true and correct and Ms. Stitt responded affirmatively. Mr. Wilson also inquired if the companies that had signed the incentive acceptance forms fully understood the agreements and could meet the obligations set forth in the agreements. Ms. Stitt responded affirmatively.

Mr. Martin inquired as to how ECD tracked the capital investment a company makes over a period of time. Ms. Stitt responded that ECD does not track capital investment like they track jobs; however, if the company is asking for reimbursement of an eligible activity then documentation of the expenses are required to be submitted.. Mr. Wilson made a motion to approve the FastTrack projects that were presented. Mr. Hargett seconded the motion, and it was unanimously approved.

Mr. Wilson then presented for consideration and approval a “Resolution Allocating from Debt Service Fund to the Capital Projects Fund \$501,487.00 and Canceling Authorized Bonds” to be effective June 30, 2018. Mr. Wilson explained that this resolution was to cancel bonds related to the University of Memphis (UOM) project for acquisition of sites within UOM’s master plan. Mr. Wilson stated that UOM had made a payment of \$501,487.00 and that such funds had been deposited into the Debt Service Fund. Mr. Hargett made a motion to approve the resolution. Mr. Martin seconded the motion, and it was unanimously approved.

Mr. Wilson then presented for consideration and approval a “Resolution Allocating Funds to Defray a Portion of the Cost of Highway Bridge Construction Projects and Canceling Authorized Bonds” to be effective June 30, 2018. Mr. Hargett made a motion to approve the resolution. Mr. Martin seconded the motion, and it was unanimously approved.

Mr. Wilson then presented for consideration and approval a “Resolution Allocating Funds to Defray a Portion of the Cost of Highway Construction Projects and to Cancel Authorized Bonds” to be effective July 1, 2018. Mr. Wilson explained that this resolution canceled bonds for highway construction projects in the amount of \$79,000,000.00. Mr. Wilson further explained that the authorization is utilized to facilitate contracts with highway construction firms since the State’s current practice is to fund highway projects with cash and not issue bonds. Mr. Hargett made a motion to approve the resolution. Mr. Martin seconded the motion, and it was unanimously approved.

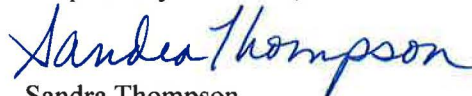

Mr. Wilson then presented for consideration and approval a “Resolution Authorizing the Issuance of General Obligation Bonds of the State of Tennessee” in the amount of \$215,295,000.00 to be effective July 1, 2018.
